## Achieve Hotel Savings Through Strategic Sourcing

OMNIA Partners, in conjunction with ALTOUR, can now provide customized strategic hotel sourcing and implementation designed to achieve rate savings while balancing your need for travel satisfaction and engagement.
The result is a hotel program that delivers value to your bottom line, and provides hotels your travelers desire.

## Strategic Sourcing Includes:

- Applying proprietary analytical tools and methodologies to identify savings opportunities
- Aligning your company's goals with financial opportunities
- Incorporating best practices and analytics
- Employing travel sourcing and negotiation expertise
- Ensuring a positive return on investment
- Quantifying and communicating the ROI
- Maintaining and monitoring your program for continuous improvement
