OMNIA PARTNERS

In conjunction with OMNIA Partners, Weichert Workforce Mobility delivers best-in-class talent mobility and continuous program improvement based on:

Vigilant cost control through leveraged pricing, total program ownership and expert supply-chain disciplines.

A global service team dedicated to members of OMNIA Partners with centralized management for streamlined execution, stronger accountability and control and reduced spend.

Custom scorecards specifically for members of OMNIA Partners with stringent metric goals to track results against agreed-upon success criteria and benchmarked against Weichert's Top 50 accounts to drive higher performance and ROI.

Category lifecycle management providing each member "customer of choice status" and best value through Optimization Playbooks, Strategic Category Management and Scorecard disciplines.

Independent evaluation and attestation by an objective consulting firm to evidence contract compliance and best-in-class market competitiveness.
