

# UNPARALLELED SERVICE, EXTRAORDINARY RESULTS

## NATIONAL MASTER SERVICES AGREEMENT BETWEEN OMNIA PARTNERS AND ASPEN CONTRACTING

We will expedite our process with minimal interruption to you and your business.

We cover areas around your business with tarps and plywood to protect your investment.

We will monitor the weather at all times in efforts to protect your investment.

We will thoroughly clean the work area around your property after completion.

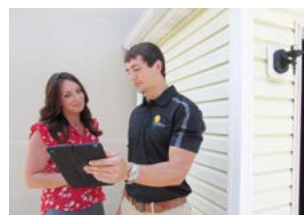

We believe that onsite management ensures the best quality.

We require zero deposits, but rather a customer completion form upon completion.

We are dedicated to completing your project in a timely manner.

We will provide a completion report that outlines work completed to the highest standards.
