

ASPEN CONTRACTING'S IRONCLAD WARRANTY VS. ALL OTHERS

Aspen has the strongest warranty to protect your investment. We give the best warranty so property owners have peace of mind that they will always be covered, no matter what. We do the best work in the industry and that is why we can offer the best protection. See how our warranty compares to others:

	Aspen's Ironclad Warranty	Standard Manufacturer Warranty	Standard Contractor Warranty
Notification of Claim	✓ Easy - notify Aspen and we will fix immediately, no questions asked 24/7/365	✗	✗ Difficult - written notice mailed to manufacturer within 30 days of discovery of leak or problems with proof of purchase. Also may require you submit, at your expense, samples of materials for testing and photos.
Unsure of Cause	✓ Aspen checks for free, no cost	✗	✗ You have to prove it was from their products
Improper Installation	✓ Covered	✗	✗ Not covered
Repair Limitations	✓ None	✗	✗ Labor rarely covered Materials rarely covered
Interior from Repair	✓ Covered	✗	✗ Not covered
Expansion or Contraction of Counter Flashing & Metal Work	✓ Covered	✗	✗ Not covered
Roof Size Limits	✓ No size limits	✗	✗ 2000 square feet or 5 years for a business to cover material and labor Structures not other dwellings
Change In Building Usage	✓ Covered	✗	✗ Not covered
Transfer to New Owner	✓ Covered for the property with no fees and no transfer limits	✗	✗ Maybe covered for a fee Not covered
Length of Warranty	✓ Lifetime of product on all materials supplied in job and includes all material and labor	✗	✗ 3-10 years but does not cover underlayment, metalwork, flashings or other related work nor cost to remove or dispose of shingles 2-10 years
