

## Your restrooms should shine for your customers

You're busy focusing on your business. The last thing you need to worry about is whether your restrooms are clean and equipped for customers. Keep your restrooms **ready™** with scheduled service visits from Cintas; we deliver deeply cleaned restrooms and the just-right amount of restroom supplies and cleaning chemicals. It all adds up to saving you time and money and keeping your business looking its best.

### RESTROOM SUPPLIES

No more running the risk of frustrating customers with empty restroom dispensers. With our routine scheduled service, you'll always have essential products on hand, like soap, paper and air freshener products.

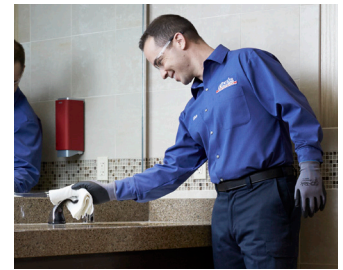

### SIGNATURE SERIES® RESTROOM DISPENSERS

Boost your business above the competition with a distinctive restroom look. Signature Series® is our exclusive line of designer dispensers that elevates the appearance of your restrooms with a sleek, functional and customizable design.

### CLEANING CHEMICAL SERVICE

Be free from having to mix chemicals, store bulky containers or manage inventory. The Signet® Cleaning Chemical System automatically dispenses the perfect amount of properly diluted cleaning chemical with the push of a button to ensure effective cleaning and save you money.

### CINTAS ULTRACLEAN® RESTROOM CLEANING

A sparkling clean restroom is just as important as a clean lobby or any other area. Our Cintas UltraClean® service deep cleans to remove soil and bacteria for a fresh-smelling, disinfected restroom.
