

Frustrated with RFP's that result in little to no savings?

Not sure if you are paying too much for resin?

Tired of training your consultants on your business?

Want to know what your resin supplier knows?

Over 20 Years of Providing Visibility and Knowledge into the Supply Chain

RTi has created over \$1 Billion in incremental profits for its clients since 1998. Our technical expertise, engineering analysis, and market intelligence allow us to provide our clients strategic solutions for their resin, paper and plastic packaging spend.

RTi empowers your procurement team with the ability to have fact-based negotiations with your suppliers on a technical level. This allows you to **achieve and sustain best-in-class pricing without RFPs and leverage plays**. Remarkably, over 80% of our clients obtain these results without a change in suppliers or material specifications.

Your team will be partners with our industry veterans who average 30 plus years in their field of expertise making both immediate and long-term savings truly sustainable. RTi stays completely invisible to your supplier base, but our impact on your bottom line will be unmistakable.
