

Before your next supplier negotiation,

let RTi help you improve your PacIQ

Running competitive RFPs and changing specs isn't at the heart of what we do. Through our proprietary engineer-based cost models, we are able to provide our clients with accurate target pricing. Remarkably, 80% of RTi clients achieved savings **with no change in current supplier or material specifications**. RTi provides you market intelligence and tools to empower your procurement team, all while working behind the scenes, invisible to your supplier base.

Our knowledge and expertise becomes your profit by reducing the price you pay. The most highly skilled and experienced procurement people in the industry rely on RTi.

Don't settle for another 2% - 3% savings offer. Find out how we can improve your PacIQ. Contact us for a complimentary assessment of your plastic packaging spend.
