

YOUR VISION.
OUR EXPERTISE.

Looking for workplace solutions that help redefine how your employees work and help create a mindset that reflects the culture of your company? Look no further than Workspace Interiors by Office Depot®.

OMNIA
P A R T N E R S

At Workspace Interiors, we know that no two office environments are the same. That's why we contract with top furniture manufacturers to offer you one of the best selections in the industry as well as provide customized solutions to fit your unique style and space.

Count on Workspace Interiors by Office Depot for the following:

CREATIVE SERVICES — We have the expertise and insight to develop a creative plan that works for you and the discipline to make the process seamless. Creative services are an important part of buying furniture. Our project planners can help to create and design a solution for your environment, providing space planning and specification support.

PROJECT MANAGEMENT — Creating and organizing a fully functional new workspace requires extraordinary project management skills. Whether you want someone to take on the entire process or work in a supporting role with your architectural and design firm, Workspace Interiors can manage every detail of your next project.

LABOR SERVICES — We work closely with our installation partners to ensure consistency, accuracy and quality in all of our labor services. Our installation team is provided with a packet of in-depth information — communicating every specific detail of your project. Our installation experts have been factory-trained and certified in systems installation, satisfaction is guaranteed.

FINANCIAL SERVICES — Workspace Interiors offers leasing not only to conserve working capital, but also to make the experience easier and more flexible. We know the importance of your office environment and offer several financial services to accommodate your business needs. We have the financial package you need anywhere in the country.

CUSTOM SOLUTIONS — At Workspace Interiors, we strive to develop custom client products that address our customer's ever-changing needs to make their jobs easier. From supplementing your current furniture standards program to connecting your multi-location offices through custom web-based technology, we have the tools to help.

ONGOING SERVICES — Workspace Interiors conducts a detailed final project inspection, considers future needs and plans follow-ups and also sets up ergonomic assessments for your associates. We are always on hand for follow-up repairs and services as needed.

Leverage your GPO

At Workspace Interiors, we have the unique ability to offer OMNIA members increased purchasing power through our partnership.

OMNIA
P A R T N E R S

When you use your GPO to purchase through Workspace Interiors, your entire furniture volume is reported back to your GPO.
