Subject: Maintenance Interval Filter Kit Promotion

Dear Mr. Tommie,

This is with regard to the tractor and mower contract signed between Cobb County and AGCO Corporation on May 19, 2017.

Due to the current competitive environment AGCO Corporation would like to extend additional parts pricing allowances for the time period of Jan 1, 2019 to May 14, 2020. We are offering a 15% discount on all filter related parts needed for the Massey Ferguson Compact Utility Equipment machines. This special offer will be available to all Omnia Partner / U.S. Communities members.

Please see attached Exhibit C for maintenance interval schedules (engine hours), kit descriptions, and discount pricing details.

Throughout the term of the contract we will continue to work aggressively with our pricing group, operations and management team to ensure that our best overall pricing is being provided through the U.S. Communities Program.

We look forward to continued success in 2019! Please feel free to contact me at korey.maryland@agcocorporation or 404-216-2509 if you have any additional questions or concerns.

Sincerely,

Korey Maryland
