Awarded to: ATI Restoration LLC, Purchasing Agreement ##2021.003053

The University of California, Office of the President (UC) issued RFP #002364-Mar2021 on March 17, 2021 to select a supplier to support UC locations including campuses, medical centers, national laboratories, the Office of the President its affiliates and California State College (CSU) for disaster relief services.

The Regents of the University of California partnered with OMNIA Partners to include a national cooperative purchasing opportunity:

The purpose of this Request for Proposal (“RFP”) is to invite qualified proposers to prepare and submit proposals to furnish Disaster Response Services to the University of California, Office of the President (“University”), and OMNIA Partners Participating Public Agencies in accordance with the requirements set forth in this RFP.

The overall objective of the RFP is to select a national Proposer(s) to assist University in establishing the most cost-effective and efficient procurement program for Disaster Response Services while maintaining high standards of quality and service. With that intent, the University is interested in evaluating the costs and benefits of several alternative methods for acquisition of these services for all University of California locations and OMNIA Partners Participating Public Agencies.

University has partnered with OMNIA Partners to make the resultant agreement a national cooperative agreement which public agencies, across the country, will be able to utilize.
