People first – always.

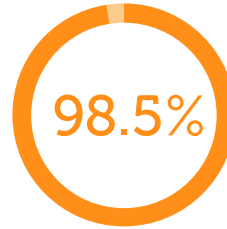

People matter. That's why we optimize every part of the client, candidate, and product background check experience. We get the technology, but we're always about people:

first call resolution rate

U.S. based client and candidate support

client retention

candidate satisfaction

Speed and quality can be synonymous.

We know speed matters – but not at the cost of quality. Accurate delivers turnaround times on clears with a 99.9+% accuracy rate in one day or less. That's fast and precise.

Screening services that fit.

Different agencies have different hiring requirements, and Accurate has the proper screening service for each. No matter what you need, Accurate's wide range of solutions deliver the relevant background information necessary for you to make the best hiring decision.
