

PROFESSIONAL GRADE FILTER PROTECTION

Carquest® Air Filters

Rigorously tested to ensure reliability and performance, these filters are designed to ensure air pollutants and contaminants are removed to provide optimal function of the engine.

- **Superior Fit** — Designed for a precise fit to meet OE installation dimensions and major brand specifications
- **Superior Performance** — High efficiency premium filter media delivers consistent performance during severe and extended intervals
- **Special Construction** — Galvanized steel mesh metal screen, high performance sealing materials and media pleat stabilization allows for worry-free operation
- **Superior Quality** — Unique media embossing techniques allow for superior filtration efficiency and dust capacity

Carquest® Cabin Air Filters

These filters are designed and rigorously tested to ensure air pollutants and contaminants are removed to provide a comfortable cabin environment.

- Filter media is non-woven fiber
- Filter cleans and freshens air by reducing pollen and dust inside the vehicle
- Meets 95% of filtration efficiency
