# PARA-X Protective Face Mask PARA-X-PFM

Wearing this face mask, you could be protected from dust, small particles in the air, pollen and much more. The mask is anti-dust, anti-odor, washable, and reuseable. One size fits all, with stretchy adjustable ear loops for a close fit. Easy to wear and take off.

*Meets CDC and DHS requirement for wearing a cloth for face coverings in public settings where other social distancing measures are difficult to maintain. The CDC advises the use of simple cloth face coverings to slow the spread of the virus and to help prevent virus transmission to others.*

*\*Not to be used as a substitute for surgical face masks or N95 respirators.*

*PARA-X is available on a competitively solicited and publicly awarded cooperative contract (Contract #R200201) through OMNIA Partners. Visit [www.omniapartners.com/publicsector](http://www.omniapartners.com/publicsector) for full contract documentation or more information.*
