

**University of California Agreement #: 2020002755**

**Term: December 16, 2020 - December 15, 2025**

## **COMPLETE, CONVENIENT ACCESS TO YOUR ACCOUNT.**

Manage your account, order supplies, and monitor your Canon devices on the myCSA self-service portal.

Managing your printing devices should never be difficult. Whether you have one printer or an entire fleet, simple oversight of your account and equipment is a must.

That's where myCSA, Canon Solutions America's complimentary account management portal, can make a difference. Seamlessly track the performance of your organization's machines from the office or remotely, 24/7, while also having access to:

- Place and view service requests.
- Enter and view past meter reads.
- View and download invoices and lease expirations online.
- Track supply orders placed through Automatic Toner Replenishment or any supply orders placed with Canon.
- And much more!

Are you new to Canon Solutions America via the University of California Agreement?
