OMNIA Partners and Connection[®] Public Sector Solutions Provide
Cost Savings, Computer Systems, and Peripherals

OMNIA Partners is a national government purchasing cooperative that is able to leverage the purchasing potential of governmental entities in all 50 states. This means participants receive equal pricing from the smallest entity to the largest buyer. All contracts available through OMNIA Partners are competitively solicited, evaluated, and awarded by a government entity serving in the lead agency role. The OMNIA Partners portfolio is available for use and benefits public and private schools, colleges and universities, cities, counties, non-profits, and all governmental entities.

Connection[®] Public Sector Solutions specializes in fulfilling the unique IT needs of state and local organizations from design to deployment. Our extensive experience managing contracts provides the expertise and knowledge to address the various needs facing IT procurement professionals. We employ a variety of purchasing mechanisms to fulfill customer requirements efficiently. This results in accurate departmental billing and shipment support documentation.

Connection is dedicated to providing OMNIA Partners participants with competitive pricing and aggressive discounts on a broad range of hardware, software, peripherals, and service offerings.
