Notes: Contractor may include other notes regarding the contract update here: (attach another page if necessary).

Daikin has 130+ independently owned Rep partners who provide both Daikin and non-Daikin manufactured equipment. Daikin is requesting to add these Rep offices so they can sell approved Daikin products and labor solutions as per the Contract directly to Region 4 and Participating Public Agency member (i.e. PO issued directly to Rep). Internally Daikin will ensure contract compliance by reviewing ALL estimates and registering the project with OMNIA to obtain a CPN. As the Region 4 ESC contract holder, Daikin will be responsible for ensuring only approved products and services are offered, reporting all sales and upholding all contract obligations. The attached Rep Roster lists all Daikin's Rep office locations. This process will save time and lower projects costs for Region 4 and Participating Public Agency members.
