EarthChoice® Colors

EarthChoice® Colors is a dazzling selection of stylish pastels, whites and creams that are available in a broad range of weights and finishes. This product contains 30% recycled content, and is Sustainable Forestry Initiative® (SFI®) certified.

EarthChoice HOTS®

EarthChoice HOTS® are intensely bold, bright fluorescent colors that deliver a powerful punch to any printed material. It is easy to capture your audiences' attention when printing on one of our EarthChoice HOTS®. And, if that isn't enough, EarthChoice HOTS® is Forest Stewardship Council® (FSC®) certified by the Rainforest Alliance.
