SUMMARY

Dude Solutions, Inc. is updating the catalog associated with Region 4/OMNIA Partners Contract #R161802 for Facility Management Software and Solutions. This update includes the addition of several new products in the education and government catalogs.

EDUCATION

Added **Asset Essentials Implementation Services** - Outcome based implementation for Asset Essentials Assets, PMs and User training and optional Parts add-on.

Added **Capital Predictor Core** - System level lifecycle modeling for facilities.

Added **Asset Essentials as an Asset Register**. AE Asset Register is an optional companion product for Capital Predictor for clients who do not currently have an asset register for managing assets.

Added **Work Planner**. Work Planner is a GIS-enabled toolset bringing together all the data and optimized outputs from Capital Predictor Enterprise, allowing engineers and planners to bundle assets and needs into multi-year work plans across multiple asset types and allocate funding from multiple sources.

Changed **Capital Predictor Enterprise Additional Asset Classes** to custom pricing.

Removed **ASHRAE Level II Energy Audit - FCA Adder**. This service is no longer offered.
