

OMNIA Partners, Public Sector

ESI was awarded the Ergonomic Solutions Contract by Region 4 Education Service and is available through OMNIA Partners, Public Sector (subsidiaries National IPA and U.S. Communities).

OMNIA Partners, Public Sector is the nation's largest and most experienced cooperative purchasing organization dedicated to public sector procurement. Our immense purchasing power and world-class suppliers have produced a comprehensive portfolio of cooperative contracts and partnerships, making OMNIA Partners the most valued and trusted resource for organizations nationwide.

What Differentiates OMNIA Partners?

Portfolio

OMNIA Partners, Public Sector has the most robust portfolio of quality contracts in the cooperative space. Their agreement portfolio has everything your organization needs to run efficiently and effectively.

People

OMNIA Partners, Public Sector has the most experienced cooperative team in public procurement, cooperative purchasing and supply chain management. Their team has over 150 combined years of public procurement experience and over 275 years of cooperative purchasing experience.

Process

Contracts are competitively solicited and publicly awarded by a government entity. Awards are made utilizing the best processes and procedures ensuring maximum value and absolute security with complete transparency of the process. The Lead Agency Model is considered to be a best practice in the industry.

Participation

Participating in the cooperative buying power of more than 60,000 entities allows you to pay less for products and reduce administrative costs, which helps you do more with less. OMNIA Partners is the fastest growing in the market, resulting in the largest purchasing power to save you valuable time and resources.

Partners

OMNIA Partners, Public Sector partners are nationally-recognized, industry leading suppliers and manufacturers. Providing great quality for a great price.

Principal Lead Agencies

OMNIA Partners, Public Sector lead agencies are considered to be the best in public procurement. They adhere to the highest standards of procurement so you can feel secure knowing that you are in full compliance of industry regulations.
