

5 REASONS TO CHOOSE ALC

Flexible Fleet Size

Our model matches each student with the right vehicle. This gives you the ability to expand and contract your fleet to accommodate the ever-changing requirements of your specific student populations.

Use Us When You Need Us

There's no minimum usage requirement so you can use us when you need us, and not use us when you don't. That means you'll never have to pay for unused capacity.

Parent/Guardian Intro Meeting

Prior to transporting any student, their parent/guardian will have the opportunity to meet with an ALC representative to discuss all aspects of the student's transportation needs.

Same Driver Everyday

Consistency is important. We strive to provide students with the same driver every day which enhances communication with parents and increases the comfort level of the students.

OMNIA Partners Co-op Agreement

There's no need to publish an RFP. If your district is signed up with OMNIA Partners, simply reference contract number R190401 on your PO and you're all set.
