The University of California, Office of the President (UC) issued RFP #001201-MAY 2019 on July 3, 2019 to select a supplier to support UC locations including campuses, medical centers, national laboratories, the Office of the President its affiliates and California State College (CSU) for expedited mail, small ground freight, related products and services.

The Regents of the University of California partnered with OMNIA Partners to include a national cooperative purchasing opportunity:

The purpose of this Request for Proposal (the "RFP") is to invite qualified suppliers to prepare and submit a proposal (or "bid") to furnish on a national cooperative level domestic and international expedited mail, small ground freight, related products and services, which shall include inbound and outbound, as well as all air and ground services to The University of California ("UC") and OMNIA Partners participating agencies, in accordance with the requirements defined throughout this RFP.

The overall objective of the RFP is to select a national Proposer (s) to assist UC in establishing the most cost effective and efficient procurement program for Expedited Mail and Small Ground Freight while maintaining high standards of quality and service. With that intent UC is interested in evaluating the costs and benefits of several alternative methods for acquisition of these services for all University of California locations and OMNIA Partners participating agencies.

The UC has partnered with OMNIA Partners to make the resultant agreement a national cooperative agreement which public agencies, across the country, will be able to utilize.
