

Expedited Products and Services Related to Ground, Freight, and Expedited Mail

University of California Award:

Government agencies and educational institutions nationwide can now purchase Expedited Mail, Small Ground Freight, Related Products and Services from FedEx through a new agreement awarded by the University of California. This competitively solicited and publicly awarded cooperative contract is made available nationwide through OMNIA Partners, Public Sector.

UC Procurement is the strategic sourcing business partner supporting academic and research missions across University of California campuses, labs and medical centers. UC Procurement helps coordinate activities that allow a complex and unique system to operate efficiently as one university, furthering its public interest, academic and research missions. They help oversee and manage programs serving the entire university system so campuses can capture the savings and efficiencies of centralized operations.

UC Procurement collaborated with 10 UC campuses, the California State University (23 state universities), The Foundation for Community Colleges (114 California community colleges) and The Association of Independent California Colleges and Universities (representing 79 private, non-profit colleges and universities) in awarding this agreement.
