

# Kills Human Coronavirus in 30-Seconds

## PURELL® Professional Surface Disinfectant

To help prevent the spread of the human coronavirus, common high-touch surfaces, like doorknobs, light switches, tabletops, and phones, should be disinfected with an EPA-registered product, such as PURELL Surface Disinfectant Spray.

### Surface Disinfectant

32 oz Bottle    Pour Gallon

PURELL® Professional Surface Disinfectant    3342-06    4342-04
