Re: Contract Update for HON OMNIA Region 4 Contract R191804 and OMNIA Ergonomic Contract R180403

Dear Mr. Zingelmann,

There are many economic pressures driving significant and broad-based cost increases across supplier networks globally. These increases are affecting transportation, sourced materials, and other key components core to our product and our service model. We have taken actions to minimize the impact, but the magnitude requires us to pass along an increase. You have the commitment of The HON Company that we will continue to mitigate these disruptions as much as possible.

Effective May 13, 2022, The HON Company will be implementing a price adjustment for products offered under our HON & Sadie brands. The average price adjustment is a 4.5% increase.

Please accept this letter as our formal request to update contract pricing to HON's May 13, 2022 list prices under contracts R191804 and R180430 effective May 13, 2022.

Digital pricers will be available on May 2nd; please confirm you would like a copy and I would be happy to email you the web links once available.

Thank you for your partnership and continued commitment supporting The HON Company. Please contact me with any questions you may have at contractmanager@honcompany.com.

Sincerely,

Christine McCormick
