ENSURING YOUR FUTURE

Your investment is for the long-term, and Haworth is committed to meeting your future needs with solutions that adapt. Our product design strategy gives you design freedom for a variety of applications, and product solutions that work together seamlessly as your needs change.

Through our Integrated Palette™ - a platform of products designed to create a consistent, cohesive environment - we make it easy to meet user needs, support organizational goals, and provide future assurance, connecting physically and aesthetically to the new Haworth products as your organization grows. From the desk to the department and the entire building, everything works together.

Only Haworth offers a truly integrated kit of parts, created to support the widest range of environments and providing future assurance to organizations that recognize their investment must be effective for years to come.

SERVING PUBLIC AGENCIES

All cooperative agreements are competitively solicited and publicly awarded by a lead public agency/government entity (e.g. state, city, county, public university or school district), utilizing the best public procurement practices, processes and procedures. These lead agencies are considered some of the best public procurement organizations in the nation and are available to answer questions or discuss the contracting process in detail.
