

WELL HEALTH-SAFETY RATING

Informed by the WELL Building Standard and more than 600 experts from the Task Force on COVID-19, the WELL Health-Safety Rating for Facility Operations and Management helps buildings and organizations address the health, safety and well-being of their most valuable asset—people. A visible indication of confidence and trust, the WELL Health-Safety seal communicates to everyone entering a space that evidence-based measures have been adopted and third-party verified.

HermanMiller

Herman Miller is a strong advocate for International WELL Building Institute's (IWBI) evidence-based approach to the design, operations and policies to ensure the well-being of occupants.

In support of our public sector clients and partners, IWBI is offering **35% off WELL Health-Safety Rating fees and Herman Miller clients can take an additional 25% off.**

Please contact your local Herman Miller sales rep for more information about this unique opportunity to support well-being for your employees, clients, students, guests and more.
