**Purpose & Objective of the UC (IT) Temporary and Professional Services RFP**

The purpose of this RFP is to solicit proposals from qualified suppliers for Information Technology (IT) Temporary and Professional Services. The objective of this RFP is to select multiple suppliers to drive economies of scale, reduce management and minimize risk. UC will be looking for suppliers that strategically align with the University of California and OMNIA Partners in establishing the most cost effective and efficient procurement program for contingent labor services for UC locations and national Participating Agencies while maintaining high standards of quality and service.
