Kimball's Pep is a True Standout

JASPER, IN – Kimball, a leading designer and manufacturer of high quality products and solutions in the furniture industry announces its newest seating line, Pep. Add a dash of energy and interest to any space with the Kimball Pep chair. A flare all to its own, Pep includes a poly shell seat with design elements that are integral to its character – unique, modern and upbeat. Pep is guaranteed to make an eye-catching focal point to any interior. The perfect side seating solution for today's flexible workplace environment, Pep is both lightweight and sturdy and can be used in formal or causal meeting areas, cafes and lounges or any type of gathering space. Pep comes in standard four legs, a sled or swivel base and is available in stool height.

About Kimball

Kimball, one of the most respected environmentally-conscious and forward focused furniture makers, blends state of the art technology with a rich heritage of craft, to better optimize workplace performance and enabling customers to craft a truly authentic brand experience. As a world-class design-driven company, Kimball applies its rich heritage as makers to create environments for tomorrow's workplace. Kimball is a brand unit of Kimball International, Inc., (NASDAQ:KBAL), a publicly-traded company dedicated to its Guiding Principles and recognized as a highly-trusted company and an employer of choice.
