### CREATE LOGIN

Your login has been created and can be used. It may take a few minutes to complete the account setup. You will receive an email notification when that is finished.

# 5

Once your account is created, you will receive two emails: The first will state that your username has been set up online.

## Email One

(Receipt of Request, no action needed)

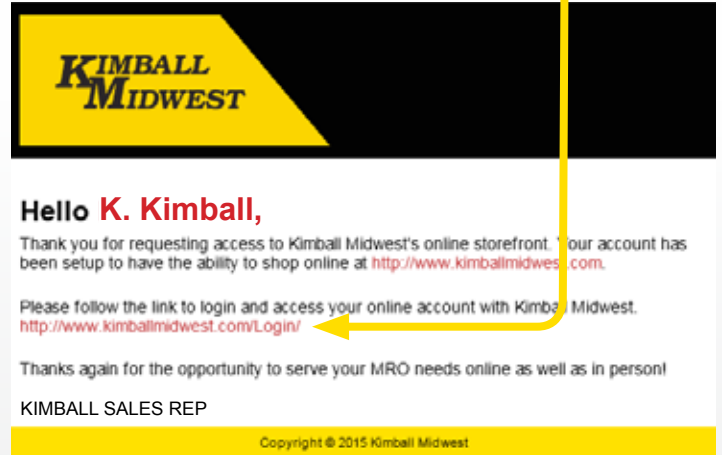

# 6

Once your account activation is approved, you will receive another email stating that your account has been set up to have the ability to shop online.

## Email Two

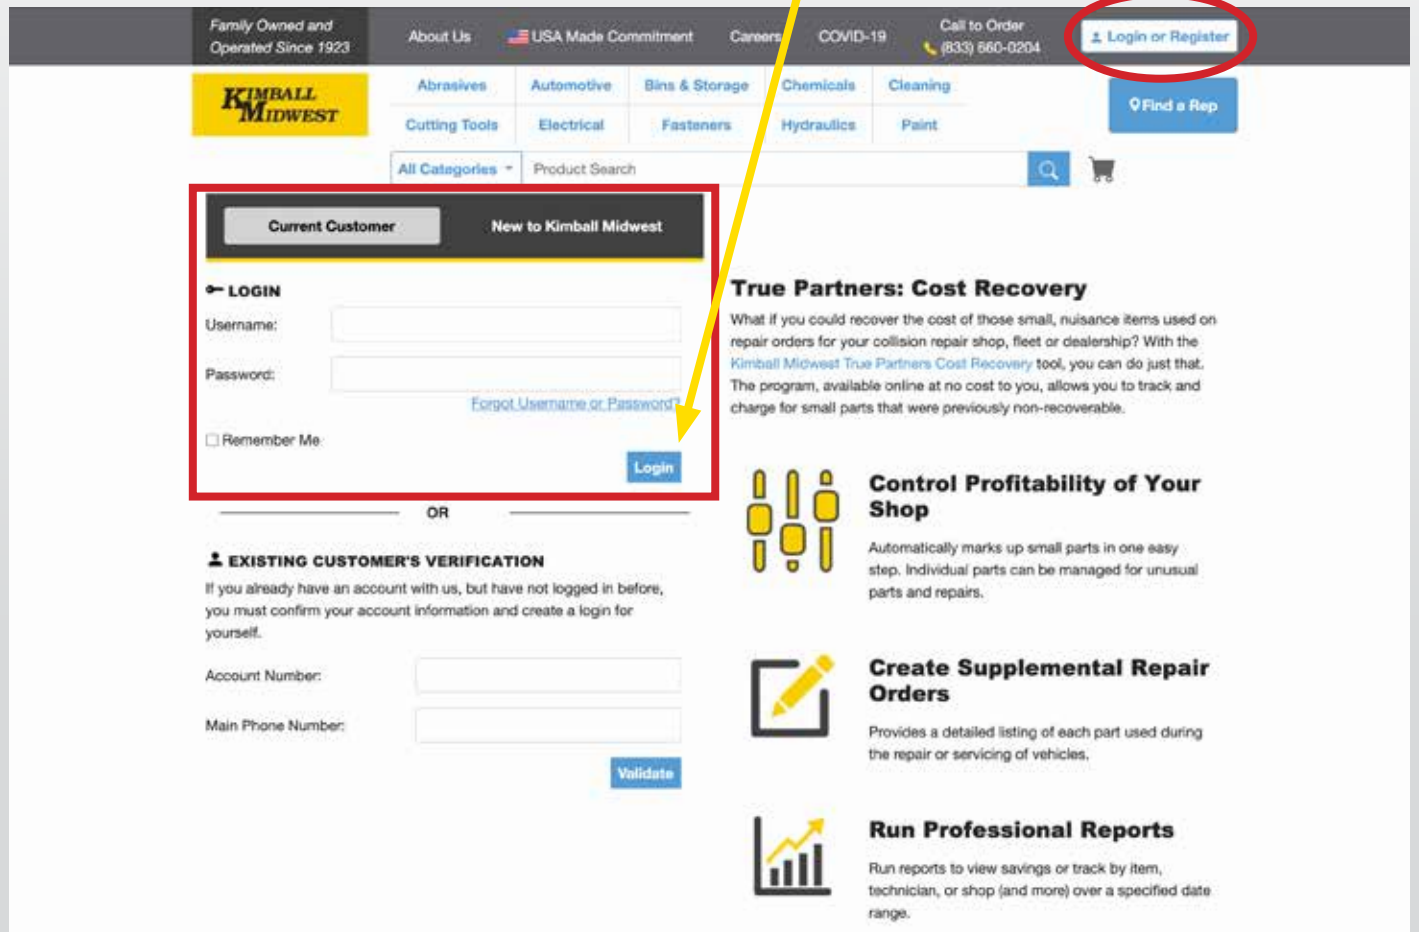

(Account Activation Approved)

From this email, click the link to begin shopping.

# 7

Enter the username and password you created and click the blue "Login" button to start ordering online. That's it!

# VALUE-ADDED SERVICES

We stock more than 51,000 maintenance and repair items with access to 500,000+ hard-to-find items through our Special Order Department.

“Buy American – Buy Kimball Midwest.” 80% of our inventory spend goes to a product made in the USA to meet the quality our customers demand.

Over 99% fill rate on all orders with same-day shipment and 86% of customers delivered next day.

We keep your maintenance and repair products organized, maintained and serviced on a regular basis.

Demonstrably superior quality products with a written warranty.

Graded fractional and metric fasteners meet or exceed SAE and ANSI/ASME specifications with traceability.

KM-USA High Head Grade 8 Hex Head Cap Screws are manufactured in the USA from 100% domestically sourced raw material with complete lot traceability.

In-house Quality Assurance Department provides conformance inspections of incoming product to assure products meet our standards of quality.

Safety Seminars available on fasteners, cutting tools, abrasives, chemicals, electrical, hydraulics and fleet air brake.

Online access to product information, Safety Data Sheets (SDS) and ordering capabilities ([kimballmidwest.com](http://kimballmidwest.com)).

And much more...
