1.1 National Contract.

The City of Charlotte, as the Principal Procurement Agency, defined in Attachment A, has partnered with OMNIA Partners to make the resultant contract (also known as the “Master Agreement” in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The City of Charlotte is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a “Participating Public Agency”). Attachment A contains additional information about OMNIA Partners and the cooperative purchasing agreement.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners public sector subsidiaries, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. As a channel partner with Vizient (formally, Novation), OMNIA Partners leverages over $100 billion in annual supply spend to command the best prices for products and services. With corporate, pricing and sales commitments from the Company, OMNIA Partners provides marketing and administrative support for the Company that directly promotes the Company's products and services to Participating Public Agencies though multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Company benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Company's need to respond to additional competitive solicitations. As such, the Company must be able to accommodate a nationwide demand for products and services and to fulfill obligations as a nationwide Company and respond to the OMNIA Partners documents (Section 8).

The City of Charlotte anticipates spending approximately $25M over the full potential Master Agreement term for furniture, installation and related products and services. While no minimum volume is guaranteed to the Company, the estimated annual volume of furniture, installation and related products and services purchased under the Master Agreement through OMNIA Partners, Public Sector is approximately $300M. This projection is based on the current annual volumes among the City of Charlotte, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Company and OMNIA Partners.

When responding to Company questions or issuing addenda to the RFP, the City will post the answer or information to the Internet at [http://www.ips.state.nc.us](http://www.ips.state.nc.us) and the City’s Contract Opportunities Site, referencing solicitation #269-2019-105. Companies are required to acknowledge their receipt of each addenda by including in the Proposal a completed Addenda Receipt Confirmation Form (Section 7, Form 2).

As part of the evaluation process, the Evaluation Committee may engage in discussions with one or more Companies. Discussions might be held with individual Companies to determine in greater detail the Company’s qualifications, to explore with the Company the scope and nature of the required contractual Services, to learn the Company’s proposed method of performance and the relative utility of alternative methods, and to facilitate arriving at a Contract that will be satisfactory to the City.

The City may in its discretion require one or more Companies to make presentations to the Evaluation Committee or appear before the City and/or its representatives for an interview. During such interview, the Company may be required to orally and otherwise present its Proposal and to respond in detail to any questions posed. Additional meetings may be held to clarify issues or to address comments, as the City deems appropriate. Companies will be notified in advance of the time and format of such meetings.

Since the City may choose to award a Contract without engaging in discussions or negotiations, the Proposals submitted shall state the Company’s best offer for performing the Services described in this RFP.

3.8 Contract Award by Council.

As soon as practical after opening the Proposals, the name of the apparent successful Company will be submitted to the Council for final approval of award and the Procurement Officer will provide Contract documents to the Company. The City’s vendor management philosophy supports a fair, open, and inclusive process that offers the same access and information to all Companies. Although Companies are not required to be registered in the City’s vendor registration system prior to submitting a Proposal, in order to execute a contract with the City and receive payment from the City, all Companies must register with the City’s vendor registration system.

Your registration provides the City with baseline information for your company including location, contact and demographic information, as well as your areas of expertise with specific commodity and/or service descriptions. You will also have the opportunity to complete any applicable certifications if your company desires to establish itself as an SBE, MBE, or WBE. 1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

The City of Charlotte (hereinafter defined and referred to as “Principal Procurement Agency”), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector (“OMNIA Partners”), is requesting proposals for Furniture, Installation and Related Products and Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Company resulting from this Request for Proposal (“Master Agreement”) be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners’ cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Company and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Company and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Company for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Companies based on OMNIA Partners’ requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Companies on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.
1.2 Marketing, Sales and Administrative Support
During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales and administrative support for Company pursuant to this section that directly promotes the Company’s products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

The OMNIA Partners marketing team will work in conjunction with Company to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:
A. Marketing collateral (print, electronic, email, presentations)
B. Website
C. Trade shows/conferences/meetings
D. Advertising
E. Social Media

The OMNIA Partners sales teams will work in conjunction with Company to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:
A. Individual sales calls
B. Joint sales calls
C. Communications/customer service
D. Training sessions for Public Agency teams
E. Training sessions for Company teams

The OMNIA Partners contracting teams will work in conjunction with Company to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:
A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams
C. Training sessions for Company teams
D. Regular business reviews to monitor program success
E. General contract administration

Companies are required to pay an administrative fee of three percent (3%) of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Company will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

1.3 Estimated Volume
The dollar volume purchased under the Master Agreement is estimated to be approximately $300M annually. While no minimum volume is guaranteed to Company, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Company and OMNIA Partners.
1.4 Award Basis
The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Companies are awarded by Principal Procurement Agency under the Master Agreement, those same Companies will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Company, such Participating Public Agency and OMNIA Partners shall agree. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Company to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Company to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this contract and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Company (Contract Sales are reported to OMNIA Partners).

All purchase orders issued and accepted by the Company may survive expiration or termination of the Master Agreement. Participating Agencies’ purchase orders may exceed the term of the Contract if the purchase order is issued prior to the expiration of the Contract. Company is responsible for reporting all sales and paying the applicable administrative fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program
This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners’ cooperative program:
A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
B. Establish the Master Agreement as the Company’s primary go to market strategy to Public Agencies nationwide;
C. Achieve cost savings for Company and Public Agencies through a single solicitation process that will reduce the Company’s need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.
2.0 REPRESENTATIONS AND COVENANTS
As a condition to Company entering into the Master Agreement, which would be available to all Public Agencies, Company must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Company.

2.1 Corporate Commitment

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency’s procurement practices. The Participating Public Agencies hereby acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(h), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable “safe harbor” regulations, including but not limited to any and all obligations to fully and accurately report discounts and incentives.

3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider.

4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.

Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.

A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

10. THE OMNIA PARTNERS PARTIES SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE OMNIA PARTNERS PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES THAT THE OMNIA PARTNERS PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO CONTRACT.

11. This Agreement shall remain in effect until termination by either party giving thirty (30) days’ written notice to the other party. The provisions of Paragraphs 6 - 10 hereof shall survive any such termination.

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.
The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 ([http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html](http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html)). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are not awarded pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).

2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.

3. The submission must be received from the contractor and on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.

4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.

   a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at [http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12](http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12). They will be updated from time-to-time as necessary.

   b. A public agency using these forms should edit them to properly reflect the correct legislative district(s). As the forms are county-based, they list all legislative districts in each county. **Districts that do not represent the public agency should be removed from the lists.**

   c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.

   d. The form may be used “as-is”, subject to edits as described herein.

   e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.

   f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at [http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html](http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html)). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE:** This section is not applicable to Boards of Education.
C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

CONTRACT

1. EXHIBITS. The Exhibits below are hereby incorporated into and made a part of this Contract. With the exception of Exhibit D (Federal Contract Terms and Conditions), any conflict between language in an Exhibit or Appendix to this Contract and the main body of this Contract shall be resolved in favor of the main body of this Contract and any inconsistency between the Exhibits will be resolved in the order in which the Exhibits appear below. Notwithstanding anything contained in this Contract or any Exhibit to the contrary, in the event of a conflict between the language of Exhibit D and the main body of this Contract or any other Exhibit to this Contract, the language of Exhibit D shall prevail. Each reference to COMPANY NAME in the Exhibits and Appendices shall be deemed to mean the Company.

EXHIBIT A: PRICE SCHEDULE
EXHIBIT B: SCOPE OF WORK
EXHIBIT C: PROPOSAL RESPONSE FORMS
EXHIBIT D: FEDERAL CONTRACT TERMS AND CONDITIONS

2. DEFINITIONS. This section may include, but not be limited to, terms defined in Section 2 of the RFP.

3. DESCRIPTION OF PRODUCTS AND SERVICES.
   3.1. The Company shall be responsible for providing the Products and Services described in Exhibit B attached to this Contract and incorporated herein by reference. Without limiting the foregoing, the Company will perform the Services and meet the requirements as set forth in
Exhibit B. However, the Company shall not be responsible for tasks specifically assigned to the City in this Contract or in Exhibit B.

3.2. The Company shall perform the Services on site at the City’s facility in Charlotte, North Carolina, except as mutually agreed upon in writing in specific instances by the City.

4. COMPENSATION.

4.1. TOTAL FEES AND CHARGES. The City agrees to pay the Company a fixed price (the “Purchase Price”) as full and complete consideration for the satisfactory performance of all the requirements of this Contract. This amount constitutes the maximum total fees and charges payable to the Company under this Contract including Expenses and will not be increased except by a written instrument duly executed by both parties, which expressly states that it amends this Section of the Contract.

4.2. NO EXPENSES CHARGEABLE. The Company shall not be entitled to charge the City for any travel, mileage, meals, materials or other costs or expenses associated with this Contract.

4.3. EMPLOYMENT TAXES AND EMPLOYEE BENEFITS. The Company represents and warrants that the employees provided by the Company to perform the Services are actual employees of the Company, and that the Company shall be responsible for providing all salary and other applicable benefits to each Company employee. The Company further represents, warrants and covenants that it will pay all withholding tax, social security, Medicare, unemployment tax, worker’s compensation and other payments and deductions that are required by law for each Company employee. The Company agrees that the Company employees are not employees of the City.

4.4. INVOICES. Each invoice sent by the Company shall detail all Services performed and delivered which are necessary to entitle the Company to the requested payment under the terms of this Contract. All invoices must include an invoice number and the City purchase order number for purchases made under this Contract. Purchase order numbers will be provided by the City. Invoices must be submitted with lines matching those on the City-provided purchase order. The Company shall email all invoices to cocap@charlottenc.gov.

4.5. DUE DATE OF INVOICES. Payment of invoices shall be due within thirty (30) days after receipt of an accurate, undisputed properly submitted invoice by the City.

4.6. PRE-CONTRACT COSTS. The City shall not be charged for any Services or other work performed by the Company prior to the Effective Date of this Contract.

4.7. AUDIT. During the term of this Contract and for a period of one (1) year after termination of this Contract, the City shall have the right to audit, either itself or through an independent auditor, all books and records and facilities of the Company necessary to evaluate Company’s compliance with the terms and conditions of this Contract or the City’s payment obligations. The City shall pay its own expenses, relating to such audits, but shall not have to pay any expenses or additional costs of the Company. However, if non-compliance is found that would have cost the City in excess of $10,000 but for the audit, then the Company shall be required to reimburse the City for the cost of the audit.

5. TIME IS OF THE ESSENCE. Time is of the essence in having the Company perform all Services and deliver all Deliverables within the time frames provided by this Contract and Exhibit B, including all completion dates, response times and resolution times (the “Completion Dates”). Except as specifically stated in this Contract, there shall be no extensions of the Completion Dates. All references to days in this Contract (including the Exhibits) shall refer to calendar days rather than business days, unless this Contract provides otherwise for a specific situation.
6. **NON-APPROPRIATION OF FUNDS.** If the Charlotte City Council does not appropriate the funding needed by the City to make payments under this Contract for any given fiscal year, the City will not be obligated to pay amounts due beyond the end of the last fiscal year for which funds were appropriated. In such event, the City will promptly notify the Company of the non-appropriation and this Contract will be terminated at the end of the fiscal year for which the funds were appropriated. No act or omission by the City, which is attributable to non-appropriation of funds shall constitute a breach of or default under this Contract.

7. **COMPANY PROJECT MANAGER.** The duties of the Company Project Manager include, but are not limited to:

   7.1. Coordination of Project schedules and the Company’s resource assignment based upon the City’s requirements and schedule constraints;

   7.2. Management of the overall Project by monitoring and reporting on the status of the Project and actual versus projected progress, and by consulting with the City’s Project Manager when deviations occur and by documenting all such deviations in accordance with agreed upon change control procedures;

   7.3. Provision of consultation and advice to the City on matters related to Project implementation strategies, key decisions and approaches, and Project operational concerns/issues and acting as a conduit to the Company’s specialist resources that may be needed to supplement the Company’s normal implementation staff;

   7.4. Acting as the Company’s point of contact for all aspects of contract administration, including invoicing for Services, and status reporting;

   7.5. Facilitation of review meetings and conferences between the City and the Company’s executives when scheduled or requested by the City;

   7.6. Communication among and between the City and the Company’s staff;

   7.7. Promptly responding to the City Project Manager when consulted in writing or by E-mail with respect to Project deviations and necessary documentation;

   7.8. Identifying and providing the City with timely written notice of all issues that may threaten the Company’s Services in the manner contemplated by the Contract (with “timely” meaning immediately after the Company becomes aware of them);

   7.9. Ensuring that adequate quality assurance procedures are in place throughout the Contract; and

   7.10. Meeting with other service providers working on City projects that relate to this effort as necessary to resolve problems and coordinate the Services.

8. **CITY PROJECT MANAGER.** The duties of the City Project Manager are to (i) ensure that the Company delivers all requirements and specifications in the Contract; (ii) coordinate the City’s resource assignment as required to fulfill the City’s obligations pursuant to the Contract; (iii) promptly respond to the Company Project Manager when consulted in writing or by E-mail with respect to project issues; and (iv) act as the City’s point of contact for all aspects of the Services including contract administration and coordination of communication with the City’s staff. The City shall be allowed to change staffing for the City Project Manager position on one (1) business day’s notice to the Company.

9. **DUTY OF COMPANY TO IDENTIFY AND REQUEST INFORMATION, PERSONNEL AND FACILITIES.** The Company shall identify and request in writing from the City in a timely manner: (i) all information reasonably required by the Company to perform each task comprising the Services, (ii) the City’s personnel whose presence or assistance reasonably may be required by the Company to perform each task comprising the Services, and (iii) any other equipment, facility or resource reasonably required by the Company to perform the Services. Notwithstanding the foregoing, the Company shall not be entitled to request that the City provide information, personnel or facilities other
than those that Exhibit B specifically requires the City to provide, unless the City can do so at no significant cost. The Company shall not be relieved of any failure to perform under this Contract by virtue of the City’s failure to provide any information, personnel, equipment, facilities or resources: (i) that the Company failed to identify and request in writing from the City pursuant to this Section; or (ii) that the City is not required to provide pursuant to this Contract. In the event the City fails to provide any information, personnel, facility or resource that it is required to provide under this Section, the Company shall notify the City in writing immediately in accordance with the notice provision of this Contract. Failure to do so shall constitute a waiver by Company of any claim or defense it may otherwise have based on the City’s failure to provide such information, personnel, facility or resource.

10. COMPANY PERSONNEL REMOVAL, REPLACEMENT, PROMOTION, ETC. The City will have the right to require the removal and replacement of any personnel of the Company or the Company’s subcontractors who are assigned to provide Services to the City based on experience, qualifications, performance, conduct, compatibility, and violation of City policy or any other reasonable grounds. The addition or promotion of any personnel to key positions within the Project must be approved by the City in writing. The Company will replace any personnel that leave the Project, with persons having at least equivalent qualifications who are approved by the City in writing. As used in this Contract, the “personnel” includes all staff provided by the Company or its subcontractors.

11. BACKGROUND CHECKS. Prior to starting work under this Contract, the Company is required to conduct a background check on each Company employee assigned to work under this Contract, and shall require its subcontractors (if any) to perform a background check on each of their employees assigned to work under this Contract (collectively, the “Background Checks”). Each Background Check must include: (i) the person’s criminal conviction record from the states and counties where the person lives or has lived in the past seven (7) years; and (ii) a reference check.

After starting work under this Contract, the Company is required to perform a Background Check for each new Company employee assigned to work under this Contract during that year, and shall require its subcontractors (if any) to do the same for each of their employees. If the Company undertakes a new project under this Contract, then prior to commencing performance of the project the Company shall perform a Background Check for each Company employee assigned to work on the project, and shall require its subcontractors (if any) to do the same for each of their employees.

If a person’s duties under this Contract fall within the categories described below, the Background Checks that the Company will be required to perform (and to have its subcontractors perform) shall also include the following additional investigation:

- If the job duties require driving: A motor vehicle records check.
- If the job duties include responsibility for initiating or affecting financial transactions: A credit history check.
- If job duties include entering a private household or interaction with children: A sexual offender registry check.

The Company must follow all State and Federal laws when conducting Background Checks, including but not limited to the Fair Credit Reporting Act requirements, and shall require its subcontractors to do the same.

The Company shall notify the City of any information discovered in the Background Checks that may be of potential concern for any reason.

The City may conduct its own background checks on principals of the Company as the City deems appropriate. By operation of the public records law, background checks conducted by the City are subject to public review upon request.
12. **ACCEPTANCE OF TASKS AND DELIVERABLES.** Within a reasonable time after a particular Deliverable has been completed (or such specific time as may be set forth in Exhibit B), the Company shall submit a written notice to the City’s Project Manager stating the Deliverable(s) that have been met. This notice shall include a signature page for sign-off by the City Project Manager indicating acceptance of such Deliverable(s).

If the City Project Manager is not satisfied that the Deliverable(s) has been met, a notice of rejection (a “Rejection Notice”) shall be submitted to the Company by the City Project Manager that specifies the nature and scope of the deficiencies that the City wants corrected. Upon receipt of a Rejection Notice, the Company shall: (i) act diligently and promptly to correct all deficiencies identified in the Rejection Notice, and (ii) immediately upon completing such corrections give the City a written, dated certification that all deficiencies have been corrected (the “Certification”). In the event the Company fails to correct all deficiencies identified in the Rejection Notice and provide a Certification within thirty (30) days after receipt of the Rejection Notice, the City shall be entitled to terminate this Contract for default without further obligation to the Company and without obligation to pay for the defective work.

Upon receipt of the corrected Deliverable(s), or a Certification, whichever is later, the above-described Acceptance procedure shall recommence. The City shall not be obligated to allow the Company to recommence curative action with respect to any deficiency previously identified in a Rejection Notice, or more than once for any given Deliverable (and shall be entitled to terminate this Contract for default if the Company does not meet this time frame).

13. **NON-EXCLUSIVITY.** The Company acknowledges that it is one of several providers of Professional Services to the City and the City does not represent that it is obligated to contract with the Company for any particular project.

14. **EACH PARTY TO BEAR ITS OWN NEGOTIATION COSTS.** Each party shall bear its own cost of negotiating this Contract and developing the exhibits. The City shall not be charged for any Services or other work performed by the Company prior to the Effective Date.

15. **REPRESENTATIONS AND WARRANTIES OF COMPANY.**

15.1. **GENERAL WARRANTIES.**

15.1.1. The Services shall satisfy all requirements set forth in this Contract, including but not limited to the attached Exhibits;

15.1.2. The Company has taken and will continue to take sufficient precautions to ensure that it will not be prevented from performing all or part of its obligations under this Contract by virtue of interruptions in the computer systems used by the Company;

The performance of this Contract by the Company and each Company employee provided by the Company will not violate any contracts or agreements with third parties or any third party rights (including but not limited to non-compete agreements, non-disclosure agreements, patents, trademarks or intellectual property rights).

16. OTHER OBLIGATIONS OF THE COMPANY.

16.1. WORK ON CITY’S PREMISES. The Company and all its employees will, whenever on the City's premises, obey all instructions and City policies that are provided with respect to performing Services on the City’s premises.

16.2. RESPECTFUL AND COURTEOUS BEHAVIOR. The Company shall assure that its employees interact with City employees and the public in a courteous, helpful and impartial manner. All employees of the Company in both field and office shall refrain from belligerent behavior and/or profanity. Correction of any such behavior and language shall be the responsibility of the Company.

16.3. REPAIR OR REPLACEMENT OF DAMAGED EQUIPMENT OR FACILITIES. In the event that the Company causes damage to the City’s equipment or facilities, the Company shall, at its own expense, promptly repair or replace such damaged items to restore them to the same level of functionality that they possessed prior to the Company’s action.

16.4. REGENERATION OF LOST OR DAMAGED DATA. With respect to any data that the Company or any Company employees have negligently lost or negligently damaged, the Company shall, at its own expense, promptly replace or regenerate such data from the City's machine-readable supporting material, or obtain, at the Company's own expense, a new machine-readable copy of lost or damaged data from the City’s data sources.

16.5. NC E-VERIFY REQUIREMENT. The Company shall comply with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes, and shall require each of its subcontractors to do so as well.

16.6. NC PROHIBITION ON CONTRACTS WITH COMPANIES THAT INVEST IN IRAN OR BOYCOTT ISRAEL. Company certifies that: (i) it is not identified on the Final Divestment List or any other list of prohibited investments created by the NC State Treasurer pursuant to N.C.G.S. 147-86.58 (collectively, the “Treasurer’s IDA List”); (ii) it has not been designated by the NC State Treasurer pursuant to N.C.G.S. 147-86.81 as a company engaged in the boycott of Israel (such designation being referred to as the “Treasurer’s IB List”); and (iii) it will not
take any action causing it to appear on the Treasurer’s IDA List or the Treasurer’s IB List during the term of this Contract. In signing this Contract Company further agrees, as an independent obligation, separate and apart from this Contract, to reimburse the City for any and all damages, costs and attorneys’ fees incurred by the City in connection with any claim that this Contract or any part thereof is void due to Company appearing on the Treasurer’s IDA List or the Treasurer’s IB List at any time before or during the term of this Contract.

17. REMEDIES.

17.1. RIGHT TO COVER. If the Company fails to meet any completion date or resolution time set forth in this Contract (including the Exhibits) or the Project Plan, the City may take any of the following actions with or without terminating this Contract, and in addition to and without limiting any other remedies it may have:

a. Employ such means as it may deem advisable and appropriate to perform itself or obtain the Services from a third party until the matter is resolved and the Company is again able to resume performance under this Contract; and

b. Deduct any and all expenses incurred by the City in obtaining or performing the Services from any money then due or to become due the Company and, should the City’s cost of obtaining or performing the services exceed the amount due the Company, collect the amount due from the Company.

17.2. RIGHT TO WITHHOLD PAYMENT. If the Company breaches any provision of this Contract, the City shall have a right to withhold all payments due to the Company until such breach has been fully cured.

17.3. SPECIFIC PERFORMANCE AND INJUNCTIVE RELIEF. The Company agrees that monetary damages are not an adequate remedy for the Company’s failure to provide the Services or Deliverables as required by this Contract, nor could monetary damages be the equivalent of the performance of such obligation. Accordingly, the Company hereby consents to an order granting specific performance of such obligations of the Company in a court of competent jurisdiction within the State of North Carolina. The Company further consents to the City obtaining injunctive relief (including a temporary restraining order) to assure performance in the event the Company breaches this Contract.

17.4. SETOFF. Each party shall be entitled to setoff and deduct from any amounts owed to the other party pursuant to this Contract all damages and expenses incurred or reasonably anticipated as a result of the other party’s breach of this Contract.

17.5. OTHER REMEDIES. Upon breach of this Contract, each party may seek all legal and equitable remedies to which it is entitled. The remedies set forth herein shall be deemed cumulative and not exclusive and may be exercised successively or concurrently, in addition to any other available remedy.

18. TERM AND TERMINATION OF CONTRACT.

18.1. TERM. This Contract shall commence on the Effective Date and shall continue in effect for five (5) years with the City having the unilateral right to renew for two (2) additional consecutive one (1) year terms.

18.2. TERMINATION FOR CONVENIENCE. The City may terminate this Contract at any time without cause by giving thirty (30) days prior written notice to the Company. As soon as practicable after receipt of a written notice of termination without cause, the Company shall submit a statement to the City showing in detail the Services performed under this Contract through the date of termination. The foregoing payment obligation is contingent upon: (i) the Company having fully complied with Section 18.8; and (ii) the Company having provided the City with written documentation reasonably adequate to verify the number of hours of Services rendered through the termination date and the percentage of completion of each task.
18.3. TERMINATION FOR DEFAULT BY EITHER PARTY. By giving written notice to the other party, either party may terminate this Contract upon the occurrence of one or more of the following events:

a. The other party violates or fails to perform any covenant, provision, obligation, term or condition contained in this Contract, provided that, unless otherwise stated in this Contract, such failure or violation shall not be cause for termination if both of the following conditions are satisfied: (i) such default is reasonably susceptible to cure; and (ii) the other party cures such default within thirty (30) days of receipt of written notice of default from the non-defaulting party; or

b. The other party attempts to assign, terminate or cancel this Contract contrary to the terms hereof; or

c. The other party ceases to do business as a going concern, makes an assignment for the benefit of creditors, admits in writing its inability to pay debts as they become due, files a petition in bankruptcy or has an involuntary bankruptcy petition filed against it (except in connection with a reorganization under which the business of such party is continued and performance of all its obligations under the Contract shall continue), or if a receiver, trustee or liquidator is appointed for it or any substantial part of other party’s assets or properties.

Any notice of default shall identify this Section of this Contract and shall state the party’s intent to terminate this Contract if the default is not cured within the specified period.

Notwithstanding anything contained herein to the contrary, upon termination of this Contract by the Company for default, the Company shall continue to perform the Services required by this Contract for the lesser of: (i) six (6) months after the date the City receives the Company’s written termination notice; or (ii) the date on which the City completes its transition to a new service provider.

18.4. ADDITIONAL GROUNDS FOR DEFAULT TERMINATION BY THE CITY. By giving written notice to the Company, the City may also terminate this Contract upon the occurrence of one or more of the following events (which shall each constitute separate grounds for termination without a cure period and without the occurrence of any of the other events of default previously listed):

a. Failure of the Company to complete a particular task by the completion date set forth in this Contract;

b. The Company makes or allows to be made any material written misrepresentation or provides any materially misleading written information in connection with this Contract, the Company’s Proposal, or any covenant, agreement, obligation, term or condition contained in this Contract; or

c. The Company takes or fails to take any action which constitutes grounds for immediate termination under the terms of this Contract, including but not limited to failure to obtain or maintain the insurance policies and endorsements as required by this Contract, or failure to provide the proof of insurance as required by this Contract.

18.5. NO SUSPENSION. In the event that the City disputes in good faith an allegation of default by the Company, notwithstanding anything to the contrary in this Contract, the Company agrees that it will not terminate this Contract or suspend or limit the Services or any warranties or repossess, disable or render unusable any software supplied by the Company, unless (i) the parties agree in writing, or (ii) an order of a court of competent jurisdiction determines otherwise.

18.6. CANCELLATION OF ORDERS AND SUBCONTRACTS. In the event this Contract is terminated by the City for any reason prior to the end of the term, the Company shall, upon
termination, immediately discontinue all service in connection with this Contract and promptly cancel all existing orders and subcontracts, which are chargeable to this Contract. As soon as practicable after receipt of notice of termination, the Company shall submit a statement to the City showing in detail the Services performed under this Contract to the date of termination.

18.7. AUTHORITY TO TERMINATE. The following persons are authorized to terminate this Contract on behalf of the City: (i) the City Manager, any Assistant City Manager, or any designee of the City Manager; or (ii) the Department Director of the City Department responsible for administering this Contract.

18.8. OBLIGATIONS UPON EXPIRATION OR TERMINATION. Upon expiration or termination of this Contract, the Company shall promptly return to the City (i) all computer programs, files, documentation, media, related material and any other material and equipment that are owned by the City; (ii) all Deliverables that have been completed or that are in process as of the date of termination; and (iii) a written statement describing in detail all work performed with respect to Deliverables which are in process as of the date of termination. The expiration or termination of this Contract shall not relieve either party of its obligations regarding “Confidential Information,” as defined in this Contract.

18.9. NO EFFECT ON TAXES, FEES, CHARGES OR REPORTS.
