**Subject:** Notice of Special Promotional Pricing – Vendor Lightspeed Technologies

From April 11 through June 30, Lightspeed Technologies is offering a very rare Special Promotion.

All new orders for RCA Classroom Audio Systems will be sold at 32% off current List Prices with no minimum quantity per purchase order.

- Note that the discount is off Lightspeed's current List Prices which may not match your contract's list prices dependent on Terms & Conditions surrounding price changes. If your current product List price with your standard discount results in a lower net price than 32% off our current list price, no additional discount will be available.
- This applies to new orders received April 11 through June 30, 2022.

It is our understanding that our contract allows this with notification and approval. Please let me know when this is approved.
