ADDITIONAL SERVICES					
Miscellaneous Labor	Please see Additional Services Price List.				
MeTEOR Enhanced Installation	Personalized professional services which ensure site and end user readiness prior to installation, as well as best fit user training upon installation. Please see Additional Services Price List.				
Additional Support Services	Please see Additional Services Price List.				

NOTES:

1. Installation services may or may not include attachment to walls, floors, concrete, etc. Please confirm at time of quote.
2. This product is ideally for dry-wall application and if concrete block, dry-wall backer is recommended. These elements are not included in the contract pricing listed above.
3. Install rates for projects in US Territories, foreign countries, or states not listed in freight "Zones" (noted on freight matrix), will be quoted upon request.
4. Installations in the following cities/areas/states/regions will have an additional 5% installation fee: California, New York, New Jersey, Washington, Oregon, Central Texas including San Antonio, Houston, TX, Dallas Fort Worth, Outer Areas of New Mexico, and rural areas nationwide (as defined as by US Census Bureau).
5. Quotes will be provided upon request.
6. Prevailing Wage - Prevailing wage rate as required by law will vary throughout the course of this contract. Per the requirements of the individual state, any time a government entity is required by law to abide by the prevailing wage rate clause for that state, MeTEOR will submit all support materials (ex: current prevailing wage rates, number of hours needed for installation, etc.) from the contractor or subcontractor before the project for an estimate and after for the final bill according to the guidelines so that the install can be audited with firm pricing.
7. Union Labor – Union labor rates as required by law will vary throughout the course of the contract. Per the requirements of the individual state, any time a government entity is required by law to utilize union labor, MeTEOR will submit all support materials (ex: current labor wage rates, number of hours needed for installation, etc.) from the contractor or subcontractor before the project for an estimate and after for the final bill according to the guidelines so that the install can be audited with firm pricing.
8. Plug-in and hardwire options are available. Hardwiring (or any other electrical work) will not be performed by MeTEOR. Customer should consult licensed electrician if a hardwire model is selected.
9. CASPR in-duct units require installation by a licensed HVAC professional which will need to be provided by the customer and is not available through MeTEOR. Please consult with your preferred licensed HVAC professional.
