## SIMPLIFY PROCUREMENTS & SAVE ON ORACLE TECHNOLOGY

**OMNIA Partners** is the largest and most experienced organization in purchasing and supply chain management. Comprised of participants and suppliers in both the public and private sector, we bring together industry-leading buying power and world-class suppliers to offer an extensive portfolio of competitively solicited and publicly awarded contracts and partnerships.

Through the economies of scale created by OMNIA Partners Public Sector subsidiary, U.S. Communities, our participants now have access to more competitively solicited and publicly awarded agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.
