

THERE'S POWER IN THE Partnership

OMNIA Partners, Public Sector

OMNIA Partners, Public Sector is the largest and most experienced cooperative purchasing organization dedicated to public sector procurement. Shaping the future of procurement through power, access and trust.

Network Services Company

Network Services Company (NETWORK®) has applied its deep experience and knowledge to help multi-site companies in a variety of industries, including the public sector. By offering a streamlined system with centralized control and focused spend management, we improve supply chain efficiencies and help reduce total overall costs.

NETWORK's service model incorporates local market expertise from across North America and beyond to create a powerful, streamlined organization with the efficiency and reach required by key industries. "Distribution by Design®", the NETWORK model, provides a superior level of expertise that enables customers to support business goals and address unique market needs through customized solutions.

P A R T N E R S

NETWORK SERVICES COMPANY

NETWORK IS DISTRIBUTION BY DESIGN

With over 50 years of experience providing janitorial and sanitation solutions, NETWORK® is a category specialist. Our programs are tailored to your specific needs. Utilizing a consultative approach, NETWORK delivers solutions designed to successfully achieve your operational goals. We call it Distribution by Design, you'll call it a better way to do business.

INDUSTRY LEADING NAME-BRAND SUPPLIERS

A national agreement includes ALL the janitorial and sanitation supplies your agency needs, on one contract, with distribution services, support and training provided by resources based in your area. In addition to great pricing, 3%-5% additional discounts are available on large volume orders. You have access to nationally aggregated pricing, including deep discounts for all product categories with industry-leading name-brand suppliers.
