## CONTRACT SOLUTIONS

With over two decades of experience working with public agencies of all levels ranging from education to disaster management, PODS is the leading choice for moving and storage solutions. Our portable containers allow for you to be flexible with size, security, and scheduling. From inventory management, campus renovations and seasonal storage to moving employees locally or across the country, your organization can get the extra space it needs with PODS through OMNIA Partners (Contract #: 2020002705).

- Portable Storage
- Local & Long-Distance Moves
- Nationwide Network
- Flexible Scheduling

## MOVING & STORAGE

PODS storage containers come in 7-foot, 12-foot, and 16-foot sizes. They can be kept on-site at your location, at a PODS storage facility, moved locally or across the country.

## SCALABLE SOLUTIONS

With our nationwide network, we'll meet you whenever and wherever need be. Additionally you can mix and match container sizes to create the right storage solution for your projects.

## END-TO-END LOGISTICS

Whether it is distributing cargo among locations, renovating facilities, or meeting a short-notice delivery window, PODS for Business has an adaptable logistics solution for you.
