

MOTOR AND AVIATION FUELS AND RELATED SERVICES
Response Breakdown

Per page 34 of the RFP under Section 3.6 Additional Products and Services: *Although specific products and services may not be listed in the contract, the contract is intended to meet the full product and service needs of agencies nationwide and offered by the Supplier, including but not limited to lease, lease purchase of storage tanks, purchase of fuel related equipment and necessary services required to meet an agency’s specific needs. Pricing of additional products and services shall be negotiated between Participating Public Agencies and Supplier for addition to the contract.*

The below is being provided as a summary of what Supplier’s included in their response; this only includes Supplier’s Geographic Area Checklist and market basket. Participating Public Agencies should review the responses to determine which may best suit their needs.
