storytelling decisions, chiefly in how it deals with Mercury’s homosexuality. Because it’s probably unknown to many casual fans, his romance with Austin takes up a disproportionately large chunk of the movie. There’s no indication he’s gay until well into the film, when he hooks up a guy going into his bathroom, and even after they break up, he remains an object of his affection. Personal manager Paul Premler (Adrian Lester) gets close to Mercury but is a prisoner within the band, and ultimately Freddie’s relationship with Jim Hutton (Anson McCato) is a stabilizing force—a needed one after he’s diagnosed with AIDS. 

Malkmus navigates Mercury’s strutting de- mure and curtaited cool, and while the fake tears (mirroring the legend’s signature overdose) do half the job, his is a standout performance rather than ka- neo impression. (To capture Mercu- ry’s quintessential vocals, Queen re- corders were used, as well as a sounda- like and Malk mus himself.)

He doesn’t Yvonne’s unmatch- able energy and swagger, but then, who does? Not helping matters is archival footage of the real Mercury completely owning “Don’t Stop Me Now” as the credits roll, a hitless reminder that she was one of a kind.
