

Reopen with Confidence

The PURELL SOLUTION™ for Education: Supporting the Reopening and Continuing Operation of Schools

The recent Presidential Executive Order outlines plans to reopen schools across the country by early spring. The PURELL® brand is built on creating innovative well-being solutions, and we've dedicated ourselves to helping you create a healthier learning environment.

We've invested heavily to increase our manufacturing capacity, so that we can respond quickly in moments like these. You can be sure we will deliver products that provide peace of mind to your teachers, students, and parents.

The CARE Program for Education consists of:

- Discount pricing on PURELL® Hand Hygiene and Surface products
- No-charge wall-mounted dispensing systems
- Per-dispenser installation allowances

Push-Style dispensers are a secondary, low-cost option.

Touch-Free solutions are the preferred option.

PARTNERS

Quill.com

Program applicable for new-to-GOJO business only. Existing customers can add products at standard program terms. Custom brand dispensers are eligible for same programming as branded products. Dispenser programming valid until 6.30.21, and finished goods are until further notice.

Purell

Proven Solutions from a Trusted Brand

When it comes to caring for students' well-being, it's essential to choose products to eliminate germs and compromises. The PURELL® brand is universally recognized and trusted as a way to provide safe and effective protection from germs.¹ In fact, 8 out of 10 key decision-makers surveyed communicated that the PURELL brand is a brand they trust.²
