Therefore, to the extent permitted by law, the Contractor hereby assigns to the City any and all claims for such overcharges as to the materials or services used to fulfill the Contract.
- 30. PATENT INFRINGEMENT:** The Consultant and the surety shall defend any suit or proceeding brought against the procuring agency, during the prosecution or after the completion of the work, based on a claim that manufacture, sale, or use of any method, process, machine, technique, design, living thing, genetic material, or composition of matter, or any part thereof, furnished or used under this Contract constitutes an infringement of any patent, trademark or copyright and the Consultant shall pay all damages and costs awarded therein, against the procuring agency and any affected third party or political subdivision. If manufacture, sale, or use of said method, process, machine, technique, design, living thing, genetic material, or composition of matter, or any part thereof, is in such suit held to constitute infringement and if manufacture, sale, or use of said method, process, machine, technique, design, living thing, genetic material, or composition of matter, or part thereof, is enjoined, the Consultant shall, at its own expense, either procure for the procuring agency the right to continue manufacture, sale, or use of said method, process, machine, technique, design, living thing, genetic material, or composition of matter, or part thereof, or replace same with noninfringing method, process, machine, technique, design, living thing, genetic material, or composition of matter, or part, or modify it so it becomes noninfringing.

- 31. PAYMENT:** The City's preferred method of payment is via credit card. The City will issue a Purchase Order and, in some cases, either provide a credit card for payment at the time of ordering or pay subsequent invoices by credit card upon receipt of goods or services in good order. However, not all City employees will possess a credit card and, therefore, the City reserves the right to make payment by check as it deems necessary.

Unless payment is made by credit card at time of order or point of sale, a separate invoice shall be issued for each shipment of material or service performed, and no payment shall be issued prior to receipt of material or service and correct invoice.

The City shall make every effort to process payment for the purchase of materials or services within twenty-one (21) calendar days after receipt of materials or services and a correct invoice.

The Contractor's payment terms shall apply to all purchases and to all payment methods.

If the Contractor fails to do so and damages such property, the Contractor shall replace or repair the damage at no expense to the City, as determined and approved by the City's Director of Procurement. If the Contractor fails or refuses to make such repair or replacement, the City will determine a cost and the Contractor shall be liable for the cost thereof, which may be deducted from the Contract price.

- 33. PROVISIONS REQUIRED BY LAW:** Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall be amended to make such insertion or correction.

- 34. RECORDS:** Internal control over all financial transactions related to this Contract shall be in accordance with sound fiscal policies. - 35. RIGHT TO ASSURANCE:** Whenever one party to this Contract has reason to question, in good faith, the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as the other party's intent not to perform and as a cause for possible Contract termination.

- 36. RIGHT TO INSPECT:** The City may, at reasonable times, and at the City's expense, inspect the place of business of a Contractor or subcontractor which is related to the performance of any Contract as awarded or to be awarded.

- 37. RIGHTS AND REMEDIES:** No provision in this document or in the Contractor's proposal shall be construed, expressly or by implication, as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim, default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract, to exercise or delay the exercise of any right or remedy provided in the Contract or by law, or to accept materials or services required by this Contract or by law shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.

- 38. SEVERABILITY:** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract which may remain in effect without the valid provision or application.

All subcontracts shall comply with Federal and State laws and regulations which are applicable to the services covered by the subcontract and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. The Contractor is responsible for contract performance whether or not subcontractors are used.

- A. The City may order the Consultant, in writing, to suspend, delay, or interrupt all or any part of the work under this Contract for the period of time that the City determines appropriate for the convenience of the City.
 - B. The Consultant agrees that no charges or claims for damages shall be made against the City for any delays or hindrances during the progress of this Contract. Such delays or hindrances, if any will be covered by an extension of time for such reasonable period as mutually agreed upon between the parties. ON CALL PLAN REVIEW SERVICES

APPENDIX 1 – SCOPE OF PROFESSIONAL SERVICES

CONTRACT 151310: ON CALL PLAN REVIEW SERVICES

SCOPE OF WORK

I. INTRODUCTION

The City of Tucson, hereinafter referred to as "City", intends to hire up to EIGHT (8) consultants to perform expedited plan review on an "as-needed", "if-needed" basis, as specified herein. The successful consultants may perform both Internal (2nd Party) and External (3rd Party) plan review for the Planning and Development Services Department (PDSD).

II. DETAILED SERVICES

1. REQUIREMENTS

A. Consultants shall adhere to all applicable requirements while performing work under this Contract, as specified in Chapter 1 of the International Building Code, the most current and applicable building codes with the respective local amendments, Development Standards, and the Floodplain Ordinance; as well as with the applicable Arizona Revised Statutes; and any other applicable codes and manuals; as they may apply to the services provided.

B. Consultant's responsible supervisor(s) shall be registered by the State of Arizona to practice the services required herein. Plan reviewers shall be certified as such by the International Code Council (ICC) or shall be a registered architect or engineer in the State of Arizona. Registration and/or Certification number is to be submitted to Development Services annually.

2. GENERAL

A. The Consultant shall perform plan review for conformance with the applicable Trade Codes (Adopted Building, Fire, Existing Building, Electrical, Mechanical, Plumbing, Energy Conservation and Outdoor Lighting Codes), General Plan, Land Use Code, Development Standards and Floodplain Ordinance, local ordinances, Arizona Revised Statutes, and any other relevant laws and regulations, and related functions for the City in accordance with the terms described herein. Consultant understands and agrees that this is not an exclusive contract. The City's authorized staff will determine when to utilize the services described herein.

3. QUALITY OF WORK

A. The Consultant shall be responsible for the completeness and accuracy of all services rendered, and for the correction of all errors and omissions committed while performing said services, at no additional cost to the City of Tucson.

4. DOCUMENTATION

A. All calculations, notes, and documents produced by the Consultant while performing under this contract shall be presented to and shall become property of the City. The Consultant may retain the originals and prepare copies of said documents for the City at the Consultant's expense.

5. PLANS AND SPECIFICATIONS

A. The City shall provide the Consultant with one set of plans, specifications, calculations and any other related documents to the Consultant at no charge. The City may provide these documents in an electronic format.

B. Consultant may make copies of said documents, at their expense, to use as a check set and note corrections/changes required to meet the applicable codes, ordinances, etc.

C. The consultant shall retain all noted check sets and related documents for a period of at least twelve (12) months from the date of approval.

6. PLAN REVIEW FINDINGS AND APPROVAL

A. The Consultant, upon completion of the inspections of the review shall submit to the PDSD and the applicant, if applicable for External (3rd Party) reviews, a written itemized list, in a mutually agreed upon format, which describes all the necessary corrections required in order to obtain structural, architectural, ADA approval. The Consultant may also make corrections in writing to the permit card information and notify the City of such. The Consultant shall also sign the appropriate plan review record.

B. Should the consultant find the submitted comments in compliance with all of the applicable codes, ordinances, etc., related to the applicable plan review, an approval letter signed by the consultant shall be forwarded to the Planning and Development Services Department and the applicant, and the consultant shall sign the appropriate plan review record and the plans.

7. ADVICE AND CONSULTATION

A. The Consultant shall be available, during City working hours, to the Planning and Development Services Department staff for advice and consultation services regarding the interpretation of the review documents, and review comments during the course of this Contract, at no additional expense to the City.

B. Within 24 hours upon request by the Planning and Development Services Department, the Consultant shall be available during City working hours for conference with applicants and owners to answer questions regarding the plan review comments produced under this Contract.

8. WORK LOCATION

A. The City will not provide any workspace, facilities, or equipment for the purpose of plan review, except for scheduled conferences and single trade Internal (2nd Party) reviews which shall take place at PDSD.

9. CONFLICT OF INTEREST

A. The Consultant shall not have a private or personal interest in the plans under review. See City of Tucson Administrative Directive No. 2.02-14 for further discussion on "Conflict of interest".

10. INTERNAL (2nd Party) PLAN REVIEW

A. Under an Internal or 2nd Party Plan review, the consultant shall supplement PDSD review staff in order to meet plan check requirements. The Consultant shall be responsible for reviewing plans for compliance with City of Tucson Building, Plumbing, Mechanical and Electrical Codes. PDSD does not currently have an Electrical reviewer in-house and Mechanical and Plumbing expertise is limited as well. As such, PDSD is seeking Consultant teams that provide expertise in Plumbing, Mechanical and Electrical reviews. Engineering, Zoning, Water and Fire reviews shall still be completed by PDSD.

B. Once the PDS D has determined that a certain project should be sent to the Consultant for a complete 2nd Party plan review, the consultant shall be notified. The Consultant shall make the necessary arrangements for transfer of the documents from PDS D. The plans will be available for pick up on the day of notification. Plans not picked up within one work day of notification will be re-assigned to another agency. Unless approved otherwise by PDS D, the plan review shall be completed no later than five (5) working days for residential and twenty (20) working days for commercial plans up to \$5,000,000.00 from the date of notification. The review period for plans having a valuation over \$5,000,000.00 shall be negotiated prior to issuance of the notice to proceed.

Failure to meet the established review deadlines may be cause for the City seeking contractual remedies including and up to contract termination.

C. It is the City's intent to issue work assignments to a pool of up to EIGHT (8) consultants on a rotating/sequential basis as needed. Should the consultant not be able to perform such services, for any reason, at the time of assignment, then the work may be assigned to the next consultant in line, and the Consultant shall be moved to the bottom of the list.

However, circumstances may warrant that work assignments may not be issued on a rotating/sequential basis and instead shall be issued in a manner that is in the best interest of the City.

In some cases, a single-trade review will be requested by PDS D. Those reviews will take place at the Department as a part of the integrated in-house review process.

11. EXTERNAL (3rd PARTY) PLAN REVIEW

A. Any permit applicant, pending PDS D approval, may be allowed to use the Consultants services under an External or 3rd Party Review. The consultant shall contract independently with the applicant and the review fee will be negotiated between the review agency and the client (not PDS D). As with Internal Reviews, Engineering, Zoning, Water and Fire reviews shall still be completed by PDS D. In addition:

- PDS D reserves the right to limit by valuation any plan or project taken to 3rd Party.
- Valuations are determined by the PDS D Director.
- Plans shall be submitted to PDS D and have the contract signed prior to review by the review agency.
- If an applicant chooses to use third party plan review they must use an entity which is on the PDS D list of active third party plan review agencies.
- If a party uses third party review they are responsible for:
 - a. Tracking their plan at the third party review agency.
 - b. Obtaining review comments from the third party review agency and not Development Services.
 - c. Managing the review performance of the third party plan review agency since in most instances the third party plan review agency will require the execution of a separate contract between itself and the party utilizing their services.
 - d. Dealing with any payment, timing of review, or quality of review disputes arising from use of third party plan review or the third party plan review agency.

III. COMPENSATION AND METHOD OF PAYMENT FOR INTERNAL (2ND Party) REVIEW

1. INTERNAL (2ND PARTY) PLANS REVIEW FOR PDS

A. In consideration of the performance of the services described in the Scope of Services, the City shall pay the Contractor a fee based on either the PDS standard hourly rate sum or according to the following rates of compensation, as may be applicable to the particular area or areas contracted for by the City:

- Structural/Architectural at 40% of the plan review fee as established, and as may be revised by the City.
- Electrical at 10% of the plan review fee as established, and as may be revised by the City.
- Plumbing and Mechanical at 10% each of the plan review fee as established, and as may be revised by the City.

2. INVOICING

A. The invoice, valuation table and/or the hourly rate of review and number of review hours are to be provided at the time the plans are returned to Development Service. The Planning and Development Service activity number, and the address of the project are to be clearly stated on the invoice.
