

Covid-19 Vaccine Collection

Bring back your workforce safely and efficiently

Sterling's Covid-19 Vaccine Collection Made Easy

Sterling makes it easy to collect and track status of Covid-19 vaccines to help protect your workforce. We help navigate your return-to-work plan with:

- A robust suite of Covid-19 services that can be customized to fit your specific business needs
- A centralized, tech-enabled solution that collects Covid-19 vaccination status with ease
- Broad coverage across your workplace
- We can assist with matching personal identifiable information (PII) to first name, last name and date of birth (DOB), and that vaccination documentation is attached
- Conveniently pull aggregate vaccine collection results via standard reporting

Our goal is to help minimize interruptions to your business and help your team resume normal operations amidst this evolving landscape of Covid-19 and return to work plans.

Recent Developments

As Covid-19 cases fluctuate nationwide, employers are searching for trusted and easy-to-use solutions and services to keep their employees and customers safe. In addition, recent developments are causing companies to consider centralizing Covid-19 Vaccine Collection.

Biden Administration Mandates

On November 4, 2021, the Occupational Safety and Health Administration (OSHA) announced the mandate requiring Covid-19 vaccines and testing for employers with 100+ employees. The regulation is an Emergency Temporary Standard (ETS) and can be found in the [Federal Register](#).
