About TD Industries

Since 1946, TD Industries (TD) has developed into one of the nation's premier mechanical, plumbing and electrical construction, service and facilities management companies. TD is changing the face of the industry through sustainable, state-of-the-art innovations that consistently produce outstanding results for our customers. We deeply value the importance of our decades old relationships with our customers. Because we believe in "life-long, life-cycle relationships" you can count on TD to be your go-to partner for all your mechanical construction and service needs - everything from mission-critical solutions to standardized services. TD is equipped to handle any size project because we have unmatched, powerful resources: the people, processes, technology, and manufacturing you need to get the job done.

About OMNIA Partners

OMNIA Partners, Public Sector is the nation's largest and most experienced cooperative purchasing organization dedicated to public sector procurement. Our immense purchasing power and world-class suppliers have produced a comprehensive portfolio of cooperative contracts and partnerships, making OMNIA Partners the most valued and trusted resource for organizations nationwide.

Through the economies of scale created by OMNIA Partners, our participants now have access to an extensive portfolio of competitively solicited and publicly awarded agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education, and non-profits. For more information, visit omniapartners.com/publicsector
