ABOUT TOSHIBA AMERICA BUSINESS SOLUTIONS

Toshiba America Business Solutions, Inc. offers its full line of multi-functional copier products (MFPs) through OMNIA Partners. A world leader in technology and creative solutions for decades, Toshiba is committed to helping public agencies and educational institutions nationwide fulfill their important missions. We offer a broad array of multi-functional copiers and related solutions to meet your needs.

Products - Toshiba's e-STUDIO multi-functional products (MFPs) offer industry-leading image quality and a number of advanced security features. These sophisticated and reliable and digital imaging products further utilize a single-board architecture that delivers shorter job processing times and a lower cost per print than many competitors' models. Most of our products are EPEAT Registered.

Delivery and Installation - Toshiba will be responsible for delivery and installation of all MFPs, accessories and software, network connections, testing, removal of packaging material, and initial training.

Service - Toshiba's authorized dealer network will provide prompt and reliable service and supply fulfillment to ensure that our products perform to, or even exceeds, your high level of expectations. Toshiba service technicians are certified to maintain and service their products, including break/fix and warranty support.

Global Services Portal - Integral to efficient fleet management and reporting is Toshiba's web based Global Services Portal. This site provides you with a single location to manage your fleet and receive support services 24/7.

Support - Toshiba offers one of the most comprehensive technical support system in the industry. The ability to request service is as simple and efficient as dialing a toll-free telephone number or entering a request online. Toshiba maintains an extensive team of technical experts to address and resolve networking, integration, and software-related issues that may occur during and after the installation process.

Reporting - As a global technology leader, Toshiba has extensive reporting capabilities and welcome the opportunity to work with participants of OMNIA Partners, Public Sector to design reports that will best meet your needs.

Automated Toner - Toshiba utilizes remote fleet monitoring tools to monitor printers you use, discovers which devices are low on toner, and we send a backup when needed.

PageSmart - Leveraging Toshiba's PageSmart Program, you get toner, service, parts, and labor included in one low, cost-per-page price through one reliable service provider. This frees up your IT resources to focus on other issues critical to your business, saving you valuable time and money.

PageSmart Portal - Allows you to manage all aspects of your print fleet including real-time device status, supplies remaining details, supplies shipment information, and more.
