Subject: Request to update contract

WESCO Distribution, Inc. requests to add the Hastings and Bierer Meters product lines to our existing contract R192008.

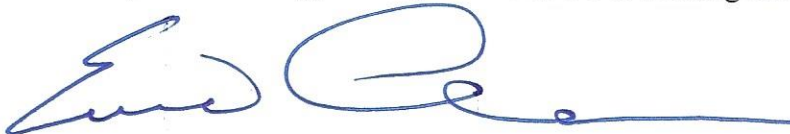

WESCO would like to update our contract to add these two manufacturers to our MRO Supplies Contract. Adding these manufacturers will expand our offering of common products for Public Utility Districts. These manufacturers provide products for high-voltage tools, equipment and metering. These manufacturers offer a competitive price to the market which does not allow WESCO to offer anything deeper than MSRP.

MRO Supplies offering –
Electrical Supplies and Equipment – Power Equipment

Pricing –
Hastings - 0% discount off MSRP
Bierer Meters – 0% discount off MSRP
