The University of California, Office of the President (UC) issued RFP # 00811-FEB2020 on April 21, 2020 to establish a national cooperative contract to assist UC and national participating agencies, in obtaining the best, most cost-effective and efficient procurement program for MFDs, Laser Printers, related goods, services and supplies.

The Regents of the University of California partnered with OMNIA Partners to include a national cooperative purchasing opportunity:

The purpose of this Request for Proposal (the "RFP") is to invite qualified Printer Manufacturers ("Supplier(s)") to prepare and submit proposals to the University of California ("UC") to provide multifunction devices ("MFDs") with copy, print, scan and optional fax functionality, and/or Laser Printers, along with products and support ("Print Goods and Services") all in accordance with Federal and State of California laws and the requirements of the UC as further detailed in this RFP. The UC has partnered with OMNIA Partners to make the resultant agreement a national cooperative agreement which public agencies, across the country, will be able to utilize.

The overall objective of this RFP is to select a Supplier, or multiple Suppliers, to assist UC, and national participating agencies, in obtaining the best, most cost-effective and efficient procurement program for MFDs, Laser Printers, related goods, services and supplies. In addition, Qualified proposers are invited to submit proposals, based on the information provided in this RFP with the intent to establish a business alliance with UC and OMNIA Partners, that will maximize the resources of both organizations to most effectively meet national participating agencies', and the UC's, needs.
