

YOUR ANY TIME, ANY WAY TRUCK SOLUTION

For municipalities needing access to the latest model trucks now, Big Truck Rental's modern approach to fleet management and partnership with OMNIA Partners delivers easy and painless solutions for your unique needs. Whether you have rising maintenance costs from an aging fleet or unexpected downtime, we have the trucks available to get you what you need when you need it to stay on budget. We're North America's reliable source for front loader, rear loader, automated side loader or roll-off refuse truck rental.

RENTAL PROGRAMS TO FIT YOUR FLEET NEEDS

Short-Term Rentals

- Meet seasonal demands
- Replace down trucks
- Eliminate downtime

Long-Term Rentals

- Predictable maintenance costs
- Reliable performance
- Eliminate costly aging trucks

Rent To Purchase

- Create balance sheet flexibility by building equity as you rent
- Customize your truck specs

WHY RENT

Preserve Capital • Improve Uptime • Predictive Maintenance Costs • Flexible Fleet Maintenance
