

Flexible product pickup that's ready when you are.

Ordering Online Just Got Even More Convenient

NEW 24/7 secure product pickup that's ready when you are. Providing greater accessibility and controlled access to the products you need, when you need it. Place an order with your local branch or online and request delivery either at your nearest participating Fastenal branch location or an available location within your facility.

How does it work?

1 Make sure you're logged into your Fastenal account.

3 Check the locker pickup box and choose your delivery option.

2 Order your product(s) online and look for locker pickup availability.

4 Check your email for pickup code and instructions.

Outdoor pickup at Fastenal Branch

This service provides after-hours access to our outdoor locker systems when requested by 4pm local time. Products may be limited based on locker unit size and weight restrictions. Once logged in to your account on [fastenal.com](https://www.fastenal.com), look for products with this icon  or this icon  and place your order. You will receive an automated notification with a private pickup code and real-time delivery status.

Flexible Pickup

Product access available before or after business hours.

No Wait Time

Just use your pickup code for your prepaid items and be on your way.

Visibility

Real-time tracking of your pickup order.

*This option is available at participating locations.

Pickup within your facility

This service allows current vending customers to request delivery of product to new or current designated locker locations within their facility. Once product(s) have been delivered, an automated notification will be sent with a private pickup code using real-time delivery status.

Secured and Controlled Access

Eliminates lost or undelivered product(s).

Save Time & Money

Eliminates time spent tracking down orders or creating additional PO's for lost items.

Visibility

Real-time tracking of your pickup order.

* This option is only available to facilities that currently have Fastenal industrial vending machines installed. If you do not have Fastenal's industrial vending machines and are interested in learning more, please talk to your local Fastenal representative.
