To Whom It May Concern:

U.S. Communities and National IPA, both wholly-owned subsidiaries of OMNIA Partners, have come together as OMNIA Partners, Public Sector. All public sector participants already registered with National IPA or U.S. Communities continue to have access to all contracts, with certain exceptions, in the portfolio and do not need to re-register to use a legacy National IPA, legacy U.S. Communities, or new OMNIA Partners contract. U.S. Communities and National IPA remain separate legal entities and lead agency contracts completed under each brand are effective and available for use through the contract's approved term. In the event we believe re-registration is necessary for any reason, we will let you know.

Please advise should you require anything further regarding this matter.

Sincerely,

Sarah E. Vavra
Sr. Vice President, Public Sector Contracting
OMNIA Partners, Public Sector
