Private Office

Stride®

Involve®

Approach™

Cadence®

Stride®

Stride is a comprehensive collection of surfaces, storage, and traditional and light-scale space division that creates productive and inspiring workspaces that support different tasks and worker generations.

A flexible kit-of-parts works together throughout the entire office to respond to changing needs, from traditional panel-based workstations to high-performance private offices with complementary storage and desking options.

Stride offers great design for a variety of workers, and for changing business needs. In addition to desking, Stride also offers panels, benching, and storage.

List Price: \$17,285

Contract Price: \$5,271.93

Approach™

Approach provides a portfolio of modular options that inspires you to rethink how the private office can be designed to address today's needs, change over time, and even serve more than one purpose.

Sit-to-stand worksurfaces enable users to vary their posture throughout the day, with the height-adjustable legs concealed within a shroud or pedestal storage.

Approach offers a to-the-floor base or a lighter-scale footed design. Choose from a variety of solid and woodgrain laminate colors, numerous fabrics for tackboards and pedestal seat cushions, and multiple storage pull styles. Approach offers a mix of materials to support your design vision.

List Price: \$11,982

Contract Price: \$3,654.51

Involve®

Involve's modular design brings everything together to accommodate all the different ways work gets done, from private office to open plan and beyond. It incorporates soft seating to encourage spontaneous interaction, laminate storage options that support active work, and worksurfaces and screens that define space and create varied separation.

Beautiful, durable laminate storage options define private office space, whether you prefer a traditional style or a more progressive look. Choose from a variety of worksurface sizes and shapes, as well as table legs, stanchions, and supports to help you design solutions that accommodate a range of workstyles and aesthetics.

List Price: \$14,646

Contract Price: \$4,467.03

Cadence®

Cadence offers freestanding desks, credenzas, and storage for unlimited versatility in a private office setting. Its modular flexibility lets you personalize any environment and accommodate a range of needs with a variety of worksurface shapes, multiple worksurface edges, and a complete paint finish and laminate offering. Plus, it's compatible with Concensus, Allsteel storage solutions, and Extensions work tools.

Durable, long-lasting, heavy-gauge steel construction and metal-to-metal connection points make installation and reconfiguration reliable and easy.

List Price: \$10,410

Contract Price: \$3,175.05

Workstations

Stride®

Further™

Terrace®

Optimize™

Concensys®

Stride® Benching

Stride is well-suited for a flexible, collaborative environment. It fosters collaboration by eliminating barriers to teamwork, supports users who spend the majority of their day away from their workspace, and can be scaled to meet the needs of a variety of workers.

Stride features unique storage, a range of separation options, and exceptionally easy access to power. It blends cohesively with the full Stride offering to create a beautiful, functional space. In addition to benching, Stride also offers panels, desking, and storage.

Integrated height-adjustable workstations available with Stride Sit-to-Stand.

List Price: \$49,705

Contract Price: \$2,285.62
per station

Further™

Adapt quickly and easily to workplace changes with Further's intuitive kit-of-parts. Its unique hub provides power and data support and can be beam-connected or freestanding. Create and combine linear or organic configurations using trapezoid and rectangle worksurface shapes.

Choose from a range of storage options, worksurface sizes and shapes, screen types and materials, storage, and other various design options. Available in a variety of paint colors and screen materials, including glass and user-movable fabric screens.

Integrated height-adjustable workstations available with Further Adaptive.

List Price: \$32,269

Stride®

Stride is a comprehensive collection of surfaces, storage, and traditional and light-scale space division that creates productive and inspiring workspaces that support different tasks and worker generations.

A flexible kit-of-parts works together throughout the entire office to respond to changing needs, from traditional panel-based workstations to high-performance private offices with complementary storage and desking options.

Stride offers great design for a variety of workers, and for changing business needs. In addition to panels, Stride also offers desking, benching, and storage.

List Price: \$55,267

Contract Price: \$16,856.44
per station

Terrace®

From open, light-scale collaborative worksettings with lower panels to more private spaces with higher panels, Terrace delivers. Power and data are located at worksurface height, so it's easy to plug in and connect.

Choose from a range of storage, worksurface sizes and shapes, panel heights and widths, tiles, and various design options, including footed panels. Integrates with Involve® storage and soft seating, Aware® tables, and more to create a cohesive floorplan. Available in a variety of paint colors and panel materials, including frameless glass.

List Price: \$27,481

Contract Price: \$2,431.63
per station

Optimize™

Outfit faculty offices, create teaming areas, replace a reception desk, or add new administrative spaces with Optimize. Panels feature a welded steel frame for long-lasting durability, while design options provide for an updated aesthetic.

Choose from a broad range of storage options, worksurface sizes and shapes, framed or frameless panel glass, and various design options. Coordinates with other products, such as Essentials™ storage, Cadence® desking, and more for applications throughout the office. Available in a variety of paint colors and panel materials, including frameless glass.

List Price: \$24,873

Contract Price: \$1,896.14
per station

Concensys®

The Concensys panel system unifies the essential elements of systems furniture in one high-value, best-in-class package. It delivers exceptional quality at an attractive price and will retain its structural integrity through multiple reconfigurations and extended use.

Concensys features thin-profile panels, multiple options for fabrics and finishes, and thoughtful, functional details. With all-metal construction, ease of specification and installation, and quick-ship delivery options, Concensys offers the best price-to-performance ratio of any comparable system in its class.

List Price: \$26,639

Contract Price: \$1,820.93

Organizational Tools

Extensions accessories include organizational tools, including paper management solutions, to remove clutter from the worksurface and help keep individuals organized. It's easy to manage clutter with bins, caddies, shelves, and holders that can be rearranged as needs change.

Choose from freestanding or options that hang from the tool tile or rail.

Tool Tile and Rail

Tool tile and rail options provide sturdy aluminum extrusions with steel support construction and durable powder-coat finish. Tool tile works with all Allsteel systems except Concensys® and Optimize™, which offer an integrated tool rail.

Available in a variety of colors to complement the workstation.

About OMNIA Partners

OMNIA Partners is the largest and most trusted purchasing organization for public sector procurement. The nation's two leading cooperative purchasing organizations – National IPA and U.S. Communities – have been brought together under one roof to form OMNIA Partners, Public Sector. The collective buying power of these unified cooperatives delivers superior value and savings for public agencies nationwide.

OMNIA's team of certified public procurement professionals and cooperative purchasing experts is committed to bringing value to you and your agency. They act as your advocates to enhance your procurement strategy and drive efficiency, effectiveness and real savings within your agency or organization.

OMNIA Partners, Public Sector is the most experienced cooperative purchasing organization for state and local government, K-12 education, colleges and universities. Use of cooperative contracts reduces the cost of goods and services by aggregating the purchasing power of public agencies nationwide. Participants have access to the largest portfolio of competitively solicited and publicly awarded contracts with best-in-class national suppliers.

All contracts are awarded by a government entity utilizing industry best practices, processes and procedures. Our lead agencies ensure maximum value and absolute security with complete transparency of process. We adhere to the highest standards of procurement so you can feel secure knowing that you are in full compliance with industry regulations.

OMNIA proudly offers two competitively solicited and publicly awarded cooperative contracts with Allsteel:

Region 4 Education Service Center (Contract: R142201) – Furniture and Installation County of Dupage (Contract: P15-150-DT) – Office Furniture and Filing Systems

There are no fees, minimums or obligations to participate!
