PROTECTIVE SOLUTIONS

PROTECTIVE APPAREL

You know how important it is to comply with industry standards and OSHA regulations, and ultimately protect your employees from workplace hazards. Cintas, the most trusted source of managed Flame Resistant Clothing (FRC) rental programs in North America, provides protective apparel for a variety of workplace situations.

PERSONAL PROTECTIVE EQUIPMENT

Protect your employees from head to toe. From hard hats and ear plugs to safety glasses and gloves, count on Cintas to help you keep your PPE organized, inventoried and available with products from leading manufacturers as well as our own private label.

CLEAN SOLUTIONS

MICROFIBER SERVICE

Make cleaning more effective and efficient with RubberMaid® microfiber mops, towels and dusters — which remove 99.9% of surface contaminants in a fraction of the time. Plus, Cintas will thoroughly clean and deliver your microfiber on a scheduled basis, saving you from time spent managing inventory.

TILE & CARPET DEEP CLEANING

Revived floors say you're **Ready™** for business. Our gold-certified process, recognized by the Carpet and Rug Institute, deep cleans more thoroughly than any other method — using greater heat, high-pressure steam and a four-step hot water extraction process.

IMAGE SOLUTIONS

CARHARTT® RENTAL UNIFORMS

Outfit your employees in genuine Carhartt® workwear — with the convenience of a rental program only from Cintas. Featuring durable work shirt options, rugged jeans and work pants, outerwear and flame resistant clothing, this exclusive line of workwear provides the hard-working performance you expect from the Carhartt name.

UNIFORM RENTAL

Keep your workforce looking professional in retail-inspired uniforms. Your employees will feel at their best with stylish, comfortable apparel they actually want to wear. And you'll appreciate that our full-service rental program takes care of your laundry, repair and weekly delivery.

MAT SERVICE

Help protect your floors with professionally laundered rental mats — ranging from custom logo and scraper mats, to anti-fatigue and safety-message mats. With Cintas delivering fresh mats every week, you'll help keep your facility clean, you'll save time on mopping and you'll extend the life of your floors.

AUTOMATED EXTERNAL DEFIBRILLATOR (AED)

Are you prepared for a cardiac emergency? Count on our AED products and services that include industry-leading devices, installation, program management and medical direction. You'll also receive professional onsite service — which includes checking your batteries for charge and your software for updates.

FIRST AID CABINETS

Be more prepared to respond to injury or illness with our scheduled onsite service. You choose the first aid supplies you'd like us to restock on a consistent basis — from bandages, gauze and antiseptics, to workplace medicine, burn care and more — and our certified professionals will deliver to your facility's first aid cabinet.

FIRE PROTECTION

Help protect your employees and business with our fire protections services, cutting-edge technology, detailed processes and trained technicians.

SIGNET® CLEANING CHEMICAL SERVICE

Be free from having to manually mix chemicals or store bulky containers. The Signet® Cleaning Chemical System automatically dispenses the perfect amount of properly diluted cleaning chemical, plus scheduled service visits help you keep product in stock without having to carry inventory.

CLEANROOM SUPPLIES

Contamination control for precision environments from a single supplier.

RESTROOM SUPPLIES

No more running the risk of customers finding empty restroom dispensers. With our routine restocking service, you'll always have essential hand care, paper and air freshener products on hand — and your restrooms will be Ready™ for a visitor any time during the workday.

MOP SERVICES

Dirty mops breed germs and bacteria. But with the Cintas rental mop service, you'll be reassured knowing your mops will be professionally cleaned and returned every week. And you choose the mops that best meet your needs — microfiber flat mops, wet mops, dust mops and more.

WOMEN'S UNIFORMS

Half of the American workforce is female, and most women can't comfortably wear uniforms designed to fit men. Our retail-inspired women's line incorporates unique style features exclusively designed for the female shape — including two pant options for an ideal fit.

UNIFORM PURCHASE

With stylish, comfortable apparel, your employees will project their most professional image. Whether you opt for our ready-to-wear or custom garments, you can count on our award-winning collections to help you create a branded look that sets your public agency apart.

SIGNATURE SERIES® DISPENSERS

With our stylish Signature Series® dispensers, you'll be confident that your restrooms are **ready™** for visitors. A non-textured bacteriostatic surface helps minimize germs, and every week we'll refill your dispensers and make sure they are functioning properly.

CHEF WORKS®

Your kitchen staff needs to project a consistent image, and with uniforms from Chef Works®, they can. Find the exclusive rental uniforms your chefs, cooks, bus and wait staffs need to present a clean and professional image. From grilling and baking to sautéing and prepping, their uniforms will remain crisp and fresh with professional laundry and delivery service from Cintas.

SUSTAINABILITY

Cintas is committed to improving the lives of our customers, partners and communities by integrating environmentally sustainable practices, principles and solutions across our business lines.

SUPPLIER DIVERSITY

Cintas has a robust commitment to supplier diversity. We believe it's essential to give diverse suppliers equal access to business relationships with Cintas, so we can successfully strengthen our supply chain, enhance our value as a company and drive a competitive advantage. We're also continuing to diversify our supply chain because the face of our markets is ever changing. It's our responsibility to accurately reflect those changes.

SAFETY

We know how important it is for safety principles and practices to be fully embedded in our corporate culture, and at Cintas, our employee-partners always act with safety in mind.

Getting your facility **Ready for the Workday®** is easier than you might think.
