The Graybar - OMNIA Partners Program

- Satisfies solicitation requirements

- Lead public agency managed contracts

- No cost to participate

- Contracts allow your organization to maximize savings on the products you need while reducing procurement time.

Graybar Services

Package materials together to save time

Product Kitting Benefits

- Reduce administrative costs
- Reduce internal labor costs
- Avoid delays, all items ship together

Have materials delivered when and where they are needed

JIT (Just in Time) Benefits

- Material staging to keep products close to the project
- Reduce the amount of inventory, storage costs and inventory obsolescence
- On-time performance

Financing, Simplified

Graybar Financial Services® Benefits

- Overcome budget constraints
- Conserve working capital and preserve credit lines
- Take advantage of available tax benefits

Let us worry about the details

Project Order Management Benefits

- Increased ability to plan projects
- Active management of project
- Increased confidence in on-time project completion

For those who would rather count profits than parts

Graybar SmartStock® Benefits

- Streamlined replenishment process
- Less downtime
- Reduced shrinkage
- Lowers labor costs

Helps ensure one complete shipment

Material Staging | Benefits

- Readily accessible inventory
- Reduces material losses, material damages, labor costs and supplier claims
- Promotes JIT inventory

Specialized resources to help you evaluate, plan and develop solutions

Technical Assistance Services

- Technical appraisal
- Training
- Integration suggestions
- Process improvement
- Waste walks

Instant Product Access

Graybar Mobile App

The Graybar Mobile App is your on-the-go solution for placing, tracking and managing product orders.

GraybaR

Graybar, a Fortune 500 corporation and one of the largest employee-owned companies in North America, is a leader in the distribution of high quality electrical, communications and networking products, and specializes in related supply chain management and logistics services.

Graybar has the power and stability of a big company and the integrity and drive of an employee-owned business. Graybar is ISO 9001:2013 Registered.

Discover how Graybar can work to your advantage.
